Dear Sir

I telegraphed you before leaving
here for Fort Henry with the first detachment of laborers
& suggested the propriety of organizing a Battalion out
of the Eight Companies then at the Fort, did not receive
an answer from you at the Fort as requested - I then
anticipated, and subsequent events have proved the correctness
of my opinion, that some time would elapse before the
two remaining Companies, Murphy to form a Regiment, would
be ready. I have been at this place, now and then,
since my return, I have seen two skeleton Companies
one with about 50 & the other 60 officers & privates, which
have been mustered into the service under authority of your
Circular letter of the 12th Dec & time allowed to recruit,
I considered it unnecessary to send them forward, until
they were fitted to the legal standard, as I conceived
that nothing less than a legal Company, could participate
in the formation of a Regiment.

As soon as the Companies are
ready to move and telegraph you that you
may order the organization of a Regiment, Ex Governor
Johnson and the Gov has instructed J. F. Trotter
whom he has placed in command of the force, and is the

Fort, to report to the Officer in Command at Fort Henry
where ten Companies ~~are~~ assembled at the Fort - that

Genl. A. S. Johnson

Dear Sir

As you are aware, about
the 20th of November last, a Committee of gentlemen,
representing several Counties of North Alabama, visited
Columbus Ky. and there made an arrangement with
the Commanding General, (Pillow) by which they agreed
to furnish the necessary labor to build additional
works, for the defense of the Sumter River, and to
furnish troops to garrison the work, when finished,
the troops to be sent with the laborers, to protect them
while engaged upon the work. Almost simultaneously
with our movement, you called upon the Governor
of the State, for Volunteers, Proclamation was issued
by the Gov. in response to your call. for Sixty Companies
of Infantry. You will remember, also, that a citizen
of the State & a member of the Committee, above referred
to, Mr. J. O. Saunders, visited your headquarters, and
explained to you what had been done by the General
at Columbus, You stated to Mr. Saunders that though
not advised of what had been done, you were satisfied
that action had been taken by them, with the best
of motives, & with reference to the public good: and
that you would as far as could be done, conform

stated in New-Yorker Note to Mr. Dickinson, that
 General Silliman changed the name - I have
 written to the Genl explaining the circumstances alter-
 -ing the first naming of the fish - Butly and

The substance of the written communication is for the first time presented to me. I know nothing of the antecedents of the parties - A Battalion, afterwards a Regt. of State Troops were ordered to fight them - with a party of negroes for work and fortification. The Troop presented himself without any proper authority for me to recognize - he a non-civilian - opposed the Union Capt in command. When the first Company arrived, arrived but allowed Troop to take command for a few days afterwards, until I found he really had no authority; and when the late approach of the enemy finding me unable to take charge of the Battalion I placed Capt Chase in command who will remain so until the Regt is organized per your order of yesterday. I know nothing of the party opposing the first Battalion, "negotiated" the Union Troop, the subject has been discussed - I named the

your action to them, & accordingly designated mixed
Mustering Officers for the four to appoint him
to be by one again, into Battalions or Regiments and
forwarded to Fort Henry.

Coming to the next gentleman,
to your head quarters, but myself, I being the
Chairman, & the Secretary of the Committee, by direction
of the Committee, went to Fort Henry, and there saw
Col. Heiman Commanding the post, and Capt. Dixon
Engineer in charge of the defenses of the Cumberland
& Tennessee; with them we viewed the site of the
proposed new fort, before having, we agreed,
upon the suggestion of Mr. Saunders, & seconded by
myself, that the name of the new fort should be
Dickson, in compliment to Mr. Dickson a member
of our Committee, & in fact, in compliment to Captain
Dickson. Accordingly, in Alabama, the new fort
has been known only as Fort Dickson, I imagine
my surprise, (and quite to the surprise & mortification
of Mr. Dickson), when I learned yesterday that Mr.
Dickson, that the name had been changed to
Fort Heiman, this we learn from Mr. Foster
who has assumed command of the Alabama forces
there stationed, under, as he says, authority derived
from the Aid de Camp of the Governor, the troops
having been previously placed under the command
of the Senior Captain, by Genl. Seligman, which
was the only proper & legal course. Does the jurisdiction

of the Governor, by his Aid de Camp, extend beyond the bounds
of the State? If so, is he authorized to appoint a temporary
Commander in Chief, it being conceded that I must volunteer
have the right to elect three field officers - It returned
to the question of name for the fort. It was understood,
in the presence of Col. Heiman, that the name should be
Dickson, therefore by adhering to that name, he can
- not object. To change the name, under the circumstances,
reflects somewhat upon Mr. Dickson, I have reason to
know that he felt flattered in the first instance, and
fully and justly mortified now. Who is Mr. Dickson?
He is a planter of very large wealth, & was, it liked
a Prince, I happened nothing when I say, there
does not live in the Confederacy a nobler spirit
of a man. He has lavished his means upon the
volunteers, & has contributed more than any man
perhaps in the State, to sustain the government, having
taken of the \$5,000,000 loan from \$40,000 to \$50,000 of
it for schools, churches, and in fact every thing
calculated to benefit his neighbors, County, State
or Government, his purse has always been open,
and it is proper that some public evidence should be
given that such men are appreciated. I
therefore most respectfully urge upon you, to use
your influence, to have this wrong corrected, I am
persuaded the change was made without proper
consideration, not intended, tho it does wound
a patriotic and estimable gentleman. It is

Dear Sir

The 7th Wisconsin Regiment

One of the oldest in the service having been
mustered into service about the 1st April,
and at present, near Chancellorsville. The
Regiment is well drilled & is composed of
the very best material in the country. It
has been determined, as I have to do with it
into squares, to be used as guarding the rear
with the best quality of its Col. at Chancellorsville.
It may be a very good arrangement for
the Col. but does not suit the men. who
are eager to face the enemy - Can you
not order some recruits to take the place
of the 7th & move them East to Chancellorsville
on Burlington - If they are kept in place
in guarding the rear. Not one of them will
be able to stand their term of service.

There are now here five
Companies Infantry, & one of Cavalry, all of which
are mustered into the service. There will be
several more Companies in, in a day or two.
I will send them forward to Ft. Henry as fast
as possible, commencing tomorrow. The slaves
ordered to work on the fortification opposite to
Ft. Henry will be ready at this place on
Thursday the 1st inst. Transportation has been
provided.

The prospect of raising & organizing vol-
unteers in this County is a slow one, & every
people I fear are not sufficiently aroused to
the importance of prompt action.

Col Foster who visited
Quincy Green & had an interview with you
informed me that you had authorized him to
raise a Battalion of Cavalry for service at the
proper & new fort. He advisedly mustered
in the Company now here. I have accepted the
other Company, & will accept another when

Relative to the pay
of Sergeants and clerks
in the Commissary
Dept

Hon. W. P. Foster
Sir.

Dalton Ga
Dec 14th 1863

I have the honor
to address you upon a subject which
in my opinion is of vital importance
to the Adjutant General's Department of the
Army. The subject is this - the Appoint-
ment of Commissary Sergeants and Clerks
in the Commissary Department with
certain pay. I would suggest that a
Clerk receive Eighty three Dollars per
Month and a Commissary Sergeant
Fifty Dollars.

You have no idea of the great
difficulty occasioned by the frequent
changes of Clerks and employees in this
Department. For example - I have a
young man detailed from a certain
Regiment of my Brigade as my Clerk.

I have him for several months and have
educated him pretty well in the business
of the Department when some change is
made which deprives me of his services.

To employ disabled Soldiers in the Depart-
ment will not generally do - for it
is not every disabled Soldier who is

Qualified for such a position
Either they do not understand
or can be made to understand
the business or else they are entirely
unqualified for such a position
by reason of disability or some
other cause.

I think each Officer of
the Department should be allowed
to recommend to the President
certain men who he thinks are
qualified for the Department
whom he represents and that they
as are Ordnance Sergeants be
appointed and ordered to report
on duty to the Officer who recom-
mends them. In this way we
will constantly have efficient men
and can always keep our reports
to the Department up to date.
Of course all preference would be
given to disabled Soldiers in our
recommendations for appointments.
Besides I would suggest that these
Ordnance Sergeants be assigned
and residing permanently in the
Department.

I would respectfully suggest that
you introduce such a Resolution
to Congress and hope that it may
be most favorably received and
acted upon -

I hope you will let me hear
your views upon the subject -

Accept my high appreciation
of your services to our country
And remember me to your friend
Yours truly

Hon Henry S. Fitch

Dear Sir

Perhaps you may not exactly call me to mind. However Major Geo. L. Brown whose letter I enclose, has given you an introduction. I have known Mr. Brown, and especially Mr. Brown, who was at Collegeville and I am well known.

Major Brown has told you of my recommendation and appointment as Brigadier General for Gen. Halleck's old Brigade having been forwarded to the War Department for their action. It was in August last that I commenced my duties in this Department. A week's division was then undergoing that summer Campaign in Texas and Ala. If I am not very much mistaken I commenced my duties August 12th 1862. From some oversight at Head Quarters my recommendation was not sent on to Richmond, which fact I found out about the first of October after the Command had been brought to Tex. at which time I am certain it was forwarded. Soon afterwards the Tex. Brigade then commanded by Col. J. M. Walker was ordered from Knoxville to Pensacola Fla. - Here I was advised by Maj. Brown, Col. Walker &c. to execute my Bond as I was then convenient to them whom I knew would give my security - and not knowing how long this would be the case I proceeded to Huntsville Ala. and executed my bond with Maj. J. F. Sweeney, my clerk and Mr. J. H. Scruggs as Sureties. As Maj. Brown has said none better could have been given. As to the worth of these Gentlemen I refer you to the Hon. C. C. Clay of Ala.

to whom this statement was personally shown
I have wondered why my appointment
has never been confirmed - and have concluded
that the changes in the War Department
must have been the cause - The Board
was forwarded in Oct. 1st 1860 -
I would have written
matter before now -
the one difficulty or obstacle
is - Gen. Jackson's nomination
the Brigadier for which I am doing duty -
if the recommendation has never been
made, or has been misplaced, or if there is any
fault to be found with it - I will be under
that obligation if you will notify me of the
fact. If however it has been overlooked
if you will use your influence with the Pres-
ident and Secretary as to have my appoint-
ment approved and have me duty - Commissioned -
I will ever remain yours under obligations -
I am now at Charleston S.C. - sick - will return

Hon. Henry S. Foote

July 14th 1863

Dear Sir

On the day after the Battle of
Baton Rouge Genl Breckinridge appointed me his
Division Commissary. Shortly after this Coln Brown
then commanding "Lolicoffe's Old Brigade"
appointed Porter Mackley, son of Dr. J. Mackley of
DeKalb County, Commissary of the Brigade. Coln
Walker who succeeded Coln Brown in Command
of the Brigade sanctioned ^{the appointment} of Mackley and
approved it. Mr Mackley sent me his application
with Recommendations to Coln Northrop. He also sent his
Bond with Major L. J. Donegan and Mr W. Scruggs
of Huntsville as securities. (As the bond could not be
given) Mr Mackley has been acting as Commissary
of the Brigade ever since his appointment. He has
discharged his duty faithfully and satisfactorily.
Has a great many influential friends who
would be much gratified that his appointment
should be confirmed. I have thought in consequence
of the immense ^{amount} of business of the Commissary
department at Richmond that Coln Northrop
may have unintentionally omitted acting on
Mr Mackley's case. You greatly oblige Mr M. and
his friends - if you ^{will} give influence in his favor. He is
a nephew to Mrs L. J. Donegan of Huntsville Ala.

You will recollect again at Memphis. Last fall
that I told you that I should apply to the War
Department for Authority to raise a Brigade
not subject to the Conscription Law (or) of men from
45 to 50 and boys from 16 to 18. You gave me
a strong letter of ~~letter~~ of Recommendation which
which was fully endorsed by Judge B. L. Ridley
I was strongly Recommended also by John Walker then
commanding the old Brigade and all
other officers of that Brigade who were applied to
also by Carl Brockmeyer. I forwarded the
application by Capt John McLaughlin of Nashville
who was a company in Col. Hume's Regiment
The Paper was directed to Adjutant Randolph
but did not reach Richmond. I wrote to him about
out of office. You will see me. You will call on
the War Department and if the letter is commanding
you will have them sent back to me as they have
not been acting upon. I hope yourself and
family are well.

Yours friend
John L. Brown

R. L. Excuse me in great haste

I am very glad to hear

I am sure that you will be a great blessing to
the church. I am, Sir,

Yours truly,

Florence Ala. Nov. 11th. 1864.

Sir:

I have the honor to submit you my Resignation of the Chaplaincy of the 30th. Regt Ala. Vols. for the following reasons: I do not believe myself adapted to the peculiar duties and responsibilities of so important a position. Moreover, the brigade has another Chaplain, recently appointed, of considerable ability and experience, and who is amply sufficient for it, as it is now reduced to almost the original size of regiments. I therefore feel it my duty to resign.

I further certify, that I am not in arrears with the Confederate States, that no charges are against me that would in any way affect my pay or character, and do not hold in my possession any government property.

I am most respectfully

Yours Obedt Servt

To the Honorable Secretary of War,
Richmond, Va.
Sir:

I find it respectfully
tender my resignation as Chap-
lain in the Army, for the
reason that the congregation to
which I am attached as Pastor
for three years prior to the
breaking out of this war, are now
without a Pastor, and earnestly
solicit my return. I am sure
that, under present circumstances
my services will be of much
more value at home than
they can possibly be in the Army.

I have an order to turn over to you my list of delinquents from the draft, and shall take pleasure in doing so as early as I can complete it. I have just got through with the work of turning over the last co organized in this Brigade. To make out the list of delinquents will require some labor as I shall show you in the list where every man lives as near as possible. You doubtless are aware that the Governor published an amnesty for 30 days, which expires tomorrow and yet though I have given wide notice of this amnesty, not a man has reported under it. By the Wednesday's mail, you may expect the list.

Albany 19th Jan 7 1863

I Capt
E P Turner
A. S. Gen^l.

In my communication to you last Friday from Houston. I said The additional order, with regard to my Instructions about detailing Militia for the Rail Road and Plantations &c, &c, I said it would stop the running of the O. P. R. & C. R. Road. I meant to convey the fact, that if all the employees of the Road that were drafted had to join their companies and be marched to Houston, before they could be detailed and the Commanding General approval obtained, that during this time the Road would be without hands to work it. I have the honor
to report to you, that I have reviewed
and inspected, the Troops in this City and
vicinity, and find them subordinate,
the officers efficient, Troops well armed,
and well drilled for the time they
have been in service, their Camps
clean, the men healthy, and the
horses of the mounted troops good
and serviceable, and in good order,
I consider them as good a body of
Troops as we have in Texas.

On account of their having no
Blankets, they could not make me
the reports and returns I generally
require. I found their Company
Books well kept. The Books and
papers of the officers of the Companies
Quarters Master, Pay Master, Ordnance
Officers, I have not examined but

To Major B. D. Mansfield

My Dear Sir

Capt. Wolff has shown me Capt. Harist's report to you, of the road making under contract for the government. Between this plan and Col. Mansfield's is very different from what I expected from his conversation with me, that J. C. Cunningham Contracted to make a road of good material. It was gravel or stone if necessary from the station of Columbus to this place, and which wagons from Brainerdville, Tenn. or any other place with the loads they could bring to Columbus, should be able to pass to this place, without unloading, lighting or putting on additional team. They have given security for Taylor & Co. who are themselves making the road, either by Cunningham or Taylor, are able to pay. Our friends Howard Dobson, and last are men of integrity, and high standing, and their word is as good as their own. They are now making.

all or nearly all washed down. so they
nearly have no material to assist in the
making the roads, I conclude that no
Military necessity exists, or even that
it is tedious when a good and sufficient
road can, and is making, for Eight Thou-
sand Dollars, is it prudent or necessary
to expend from Three to Four Hundred
Thousand Dollars to make a Rail
Road for a Corporation, to enrich its
stock holders at the expense of the
whole Confederacy, I learn from
many Planners that for the defence
of our Country and Regiments can
have all their Regiments but to make
a road to benefit a Corporation they
will not permit a man, another argu-
ment the negro, they are paying large
taxes, and do it willingly, to support our
armies, and we know the value of our
money. skirting the money would be
lost in land and property, the money
is not in the hands of the people, as
that is not the case, the money is
in the hands of the Corporation, of the

and completing the road Six Thousand
Dollars. After its completion and reception
by persons appointed to receive it. They
were to receive Two Thousand Dollars to
keep it in repair One year. He also
agreed to commence the work at once, and
did so, as soon as you agreed upon the
terms. Now before the contract was
signed, by my request, as I remember
Mazzeu told me at Fairmont Springs
that he opposed the contract, and wished
me to set the Contractor at work at once,
so that the road might be made passable
by the time the Fall rains set in, this I
did, and I also made the Contractor
promise me that, when the wagons and
teams passed over the road, if any part of
it became bad from use, they should mend
it at once, and daily, and hourly, so that
there would be no possible delay in
transporting the Government Stores and Troops
to Lexington, all of which they have done.
The road is now good as any road in the State,
and for two months time it will have far
few defects, for its completion, that there will
be a perfect certainty of its being passable

for all and any time of day and
night. no matter how heavily loaded
that can get to Columbus, my intelligence
and capacity, are both equal to the
representations are made that a good,
and sufficient, road for all purposes,
can be made or will not be made,
under any and all circumstances, and
the owner of stock in the rail Road Company
from here to Columbus. would argue that
because I live at Lexington and own
a little property here. that I might be
influenced to misrepresent the situation
of the roads &c. I own some property in the
Town of Columbus, Six Hundred acres of
Land Six Miles from Columbus. and a
Plantation of One Thousand Acres about
13 Miles west of Columbus. which is as good
as me, and will pay as as any other. so
that building the rail Road would really
benefit me as much as any other person.
This pretended Rail Road was
commenced more than ^{three} years ago,
some work was at once, some time
has been out in the woods, and then left to
rot, and the contractors of the road, has

I this morning
ordered Lieut Horace Aldis, with
40 privates of the 9th Regt, and one of
the 1st Regt (who were
here waiting transportation) to take
charge of about One Hundred and
fifty Hares and Rabbits that had
been purchased by an Officer
for the Army, and also ordered
Lieut Aldis to take under his charge
all animals at Eagle Lake, and all
others that had accumulated at any
station along the route, and forward
with them to Houston, and report to
Major J. E. Casey, U.S.A. our Quartermaster
at Houston about and has
been for some days. I personally attended
to collecting transportation and subsistence
for the Army. I found the animals were
dying in great numbers at the place, and

Eagle Lake. and I know it is utterly
impossible for the Rail Road to transport
the Corn. Forage and Military stores.
now actually needed, and take the
trains and Mules now on hand and
accommodating every day. and I also
know it is much better to give them
as the Grap is good abundant. and
all along the route Corn to feed on
is already at the different stations. I
therefore the pressing necessity for transportation
secured one to proceed as I have. I
hope it may meet the approval of the
Commanding Genl. I shall continue
to send all the animals that are bought
in the same way, until directed
to do differently. unless particularly
ordered. I shall continue to procure
my own, in all military matters here

it will be of the approval of Genl. Magruder.

I have the honor to inform you, that I have received, and is expecting, Col. Cooks Command, on Galveston Island, and Virginia Point, Col. Flournoy, the Regiment, Capt. Andrews, Company of Cavalry, at Abbeville. Captains Reynolds, Command two Companies of Col. De Prays Regt. Stationed in Portersburg, opposite the residence of Col. Nichols, Capt. Duncans, Company of Cavalry, Stationed on the Rail Road seven miles above, Virginia Point, Major Shellenbough, Corps of Sappers and Miners, Col. Elmore, Regiment at Alexandria, Col. Ormels Legion, near Brinkham, and Col. Bates, Command at Vicksburg, and I have examined, the Quarters, the Hospitals, the Company, and have had reports of the Porters, and how, expenses of what expenses, and how, expenses of what articles, are needed, and involved in all matters pertaining to their officers

The Surgeons have also made me returns, and reports of their Hospitals, Hospital Stores, Medicines &c. I have also had reports made me, by the Commanders of Posts, detached Companies, and by the Adjutants, showing the strength, of the different Commands, the number of Arms, description, &c. all this I have done to enable me to lay before the Commanding General, the true state of the Troops, under his Command. I make all this matter of record, and file the vouchers, or transmit them to Head Quarters. as the General may desire, and order. I enclose you herewith a few of the returns, and reports made to me. for you to submit to the Commanding General, for him to say if he approves the course I have adopted, the reports are numerous, and voluminous, and have been furnished to me, by the different officers with great promptness, and apparently great pleasure. I have been mightily solicited to inform the General, that the manner in which the Conscription Law has been, and is, executed and enforced, is very oppressive, there really is no discretion used by the persons

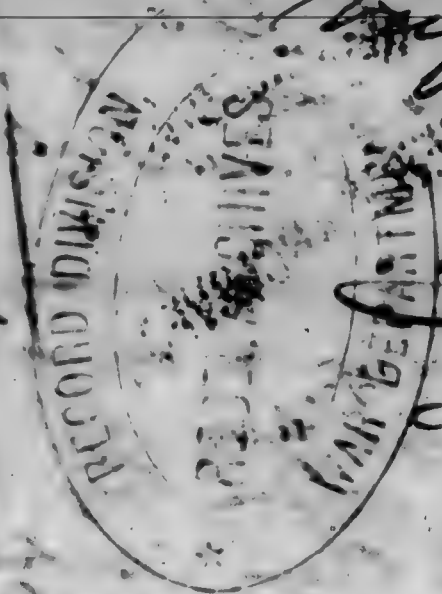

sent out, and commissioned to enforce the Law, I know of a number of men who are afflicted with Auric, some with Hemorrhage from the Lungs, and a number blind, who have been taken from my neighborhoods, and are now in Capt. Griffen's Regiment, many of them in Capt. Cook's Company. They are entirely unfit for service, but there appears to be no person who will take any responsibility, and have them discharged, and indeed I can say with truth, there is no person to fill the place of Gen. Liberty, none who will assume any responsibility, and of course, all is in confusion.

I have recommended many improvements, and changes, among the different Commands, all of which have been attended to as far as practicable, which they already acknowledge, adds to their comfort, health, and efficiency, and I find the officers, and men, generally, willing and anxious to improve themselves in every thing that will make them efficient soldiers. I have now only Col. De Prays, Regt. and. sent Col. Brown's Battalion to visit in the neighborhood of Houston. The Commanding

General, will please direct me where
-next I shall go to. I shall

A short time
since Mr. Donnell, a planter, and

the person appointed to collect the one
fourth of the adult male Slaves to take
to Palmetto to work on the Fortifications,
Called on me by order of Brig^l Genl Scurry
for a few men to go with him to compel
the few Planters, who have refused to
comply with Genl Magruder's order for
the furnishing of the negroes. I had Col
Brown, (whose Battalion is now in their
vicinity) furnish him one Sargent and
three men, with this force he collected
the negroes the owners not making any
resistance, he brought them as far as
Columbus from the Plantations, when he
since then Doot Atkins, Isaac Toke
& Glenn Ego. who live in Town, but
have their negroes on their plantations in
the Country, took their negroes out of

the Custody of Mr. Donnell, by Civil law
process, declaring they are detainers in case
to try the question, with the Confederate
Government, on the legality and constitutionality
of the assumption of power by the Commanding
General. Harcourt is their lawyer and
adviser. The loyalty of the Citizens of the
town of Columbus has always been
doubted. When our State seceded they
opposed and the above named persons,
together with Judge Smith and many
others. They all appear determined to
throw every obstacle in the way of the
Confederacy, and appear determined
to do all in their power to render Genl
Magruder unpopular. I have advised
Genl Secury of these movements officially
and will probably hear from him on
the subject to night.

 Capt. Saml McKill, Depot Quartermaster at Vicksburg, on the 5th day of March 1863

No	Articles	When Recd. Of whom Recd.	How long in Service	Inspectors Remarks
1100	One thousand one hundred Bushels Corn	Jan'y. 31 1863 Capt. L. H. Thomas		This corn is part of a large lot that was stored some time since in the S. R. R. Depot & has been allowed to be kept out by the leaking of the build- ings, whether from the neglect of the present Depot Q.M. does not appear. It is so rotten & of no use or value, & it is therefore recommended that it be hauled out to the logs of the Government that they may get rid of it - They will eat. Since this above it has appeared that the corn was damaged not by the neglect of Capt. McKill but of a former Depot Q.M.

I certify that I have carefully examined each article specified above, and that the
 remarks set opposite each are correct.

Having just received orders to report without delay to Col Miller at Poncha Trala La for duty. I would respectfully represent that in consequence of the following facts, it will be impossible for me to settle up the business of the Government at this post in less than ten days.

I am here for the purpose of buying Corn & forage for the army at Vataby Jackson. I have surveyed the country & have contracted for the delivery of a large amount of Corn, about 20 or 25 bushels & fodder & hay in proportion to be delivered at this post, the delivery of which has been delayed on account of the condition of the roads; also I have an employ agent who has contracted for a large amount of forage to be shipped for the supply of Frederick's. There is also much surplus Corn & forage which the owners at present are disinclined to sell. It will require at least that time for me thus to settle up my business with my agents & the farmers. merits.

During the campaign of the last month -
far as my observation goes - he has exhibited

superior to any one in his department.

In obedience to Special Order No 43 I have
The honor to report that from this place to Dr. Witt's a mile &
a half distant I can only find stable room for 25 horses & all
the stables from having been used for cattle, and so full they that
the artillery horses could not be placed in them without
exposing them almost certainly to the scratches of the foot
evil - They are now it is true in the open air, but on the highest
ground in the neighborhood & protected by trees from the
weather. This place besides has a fine well where they can
be fed without difficulty of any kind - I have the stables
however secured should you think it best under the
circumstances to place the few horses they will hold in them &
awaiting further instructions I remain

(589)

Hon. Secy. War. Dept. Wash. D.C. Feb 25th 1864.

Gen. J. B. Slaughter
Chief of Staff
Holston, Texas

General

I respectfully request of you

that you will command me through you,

to recruit my company to the maximum of men

State Troops. I think my company will be at least

as efficient as the militia, and I can increase its usefulness

adding to its numbers. I have in my company a number

of excellent boys under 18 years of age, who will arrive at that

age in the next few months, and have good reason to believe

that the company will finally rise as a War company

and by being allowed to increase its numbers, it would give

us a regular company, even if some of the Exempts should

refuse to enter the D. Army. It must be the case that

where men are not bound to remain in service, some will

stay in well doing, and wish to go home, and I think it

best to gratify all such by striking them from my company,

because as soon as a man gets dissatisfied, he begins to spread

his dissatisfaction to others, and thus, he often influences

others with his own feelings. My purpose is to do all I

can for my Country, and I believe that if this privilege be

granted me, I can make an excellent company. I now

have about fifty men on my roll for field duty, but upon

a careful estimate of the men, made upon my knowledge of

their characters, about twenty will likely become tired of the

war and wish to go home, and if allowed to enlist from

the ranks. For 50 or sixty men, it will greatly increase

the useful use of the company and also enable me always to
have a good company. By the arrangement between the State
and its authorities, the conscript element in the militia is
safe from conscription for six months, and they certainly can
do as good service in my company as in the militia. I
allowed say fifty men, it will secure my company remaining
in service at least for the six months, and the same security
to put them in the last service for the war can be found in my
company as in the militia. Of course those liable to con-
scription in the company would be anxious to remain
for the six months and then for the war, because they
would know to a certainty that upon my company being
reincorporated, they would be conscripted. I hope
General, that this favor will be granted me. My company
was organized the 31st Oct last, and therefore is not
a new company, within the meaning of Lt Gen. Smith's
Order. In a former letter, I suggested to you that I was
satisfied that the militia would not volunteer for the War, and
I am more confirmed in that opinion, but still I feel
sure that I can enlist the number suggested, because
my company will be preferred to the militia. I herewith
inclose the form of an Order, such as I desire, to show
what I seek, but of course submitting to your superior judgment
as to what will be granted me. My work, if allowed what I
seek, must be quickly done, as there are but a few days to
operate in, and if granted, I respectfully ask that I may be allowed
to have my adjutant (1st Lt of my company & a very competent officer)
to do my duties here, while I go out into the country to get the men.
Very respectfully yours
William G. Webb

Houston. Texas }

On the 17th May ultimo by Special Orders No 138, X IV issued by you, I was granted leave of absence for thirty days, for the purpose of attending to my duties as C. S. Receiver. The Orders were delivered to me in person at Houston and by first train after their receipt. I went to my Post at Anderson Texas and remained with my company on duty until the 27th May and then came to Salpange. I had been previously sent to Salpange by letter of instructions No 3285 current series to take possession of certain property there of deserters from conscription, had executed the orders and made my report at the time I received the leave of absence, and some points of law arose on the case, which the Adj. & Asst. General submitted to the Dist. Atty. Wm. H. Mason, and the result was to direct me by official letter at Salpange, but though I received them several days, I received no letter, owing doubtless to the fact of Mr. Mason's time being required in discharge of his duties before the C. S. Dist Court there & was in session at Houston. This delay at Anderson and Salpange has consumed more than half of the leave of absence. I am now here in attendance before the C. S. Dist Court for the West District as one of its Receivers and the duties will necessarily detain me here some days, and when through these duties, it is important that I should visit the six counties in my District to give parties owing Northern debts a chance to pay them before the 1st July.

When I received the leave of absence, I did not think of
fact that the thirty days would commence from the date
of the leave, as I now see it does by its terms, when the object
was to give me 30 days to devote to my duties as Receiver. My Dist-
rict is composed of the Counties of Bonanza, Gaudalope, Gonzales, Colorado
Taylors & Hays, and my Post being at Anderson, in Grimes County (and
indeed ever since I have been in the Army) I have been out of my District
and hence have totally neglected my Receiver's duties. In view of the im-
portance of these duties and the necessity of giving prompt attention to them,
I respectfully ask that my leave of absence may be extended to the 4th day
of July, thus giving me time to return to my Co after the 1st July. This would
in fact about give me the 30 days intended for me. As soon as I get through
here I shall go to my District to visit the counties, and you will please
answer me at Salpurg, as I shall endeavor to take that in my
round before the 1st of this month.

Very respectfully yours

Head. Quarters. Anderson. Texas. May 26th 1864

Brig. Gen. J. E. Slaughter
Chief of Staff
General

A remark made by you to me, when I was in Houston a short time ago, to the effect that you considered my being the same as in service for the War, has caused me some uneasiness, and I intended to have had a full and free conference with you at that time upon the subject, but your attention was called off upon business by another gentleman, and I could not afterwards during my stay find you at leisure to renew the subject.

The fact that several of my original men now desire discharges to join companies in more active service, requires that our true position should be understood and ascertained, is the object of this letter.

I send you herewith a printed copy of Maj. Gen. Wagner's Circular Order of the 17th Oct 1863, under which the original Company was organized. This Circular provides that these Companies will not be expected or forced to go beyond the limits of their Counties, unless they think proper in case of invasion, and will be allowed to return at their pleasure.

We started our organization and marched into the field ~~at~~ ⁱⁿ compliance with no expectation that subsequent legislation by Congress would make nearly all the Company liable to service for the War. We went beyond our County, believing it our duty, and also that when the emergency had passed, we could return home at our pleasure.

On the 16th January 1864, Maj. Gen. Wagner's Special Orders No 16 were issued, a copy of which I herewith send you. These orders only hold the individual members of the Company, "until discharged by a majority of the votes of my Company cast upon my application" for discharge. (See the note in the orders). These Orders also exempted us from the militia, reasserted & guaranteed our "rights, privileges and immunities", under the Circular of the 17th Oct 1863, and also, allowed us pay. The legislation of Congress last Winter, having made a number of the Company liable to military service for the War, on the 21st February 1864 were issued Maj. Gen. Wagner's Special Orders No 52, a copy of which I also send herewith. Under which, the members of the Company, so made liable, were protected from conscription "as long as they continue to do duty with said Company in the field," and upon the 10th ceasing to do active duty, these Orders allowed those so liable "twenty days to select their commands and to volunteer in any service in this Military District." In November 1863 Maj. Gen. Wagner issued other Orders, requiring such troops to define the limits within which they were willing to serve, and this we did, and fixed them on either bank of the Colorado & Brazos Rivers, or any where between said Rivers from the city of Austin to the coast, but while we did this in obedience to the Orders, believing the invasion would strike these limits, we determined never to follow in answering any call to select our enemies on an invasion of our States, and when called to Anderson, seeing that our services were considered useful, we made no point as to our defined limits, but went cheerfully

and without a murmur. When we went into service, we expected to at once enter an active campaign against the enemy, and hence a number went with us, who from old age and other circumstances were not willing to remain after they saw that the enemy did not advance and hence they left us and returned to their homes, but those of us, who remained exempt in the company, were willing still to do service, as we believed we could be useful to our country, and we have remained to this time. So many returned home that our numbers, though more than enough under the law of Congress to make a legal company, decreased so much as to make us greatly desire to raise the co. to a good size, and to enable us to do this, enough of us to keep up a legal organization agreed to remain in service at least from the 15th March to the 15th Sept 1864, if thereby it would enable us to get authority to recruit from the State Troops, whose term of service was exactly as named, for you will remember that they were furloughed home until the 15th March, and under the law of our State, and the Governor and Maj Gen Wagner's action under that law, they were required to serve for six months from the 15th March last, which would make the term expire on the 15th Sept next. Before applying for the order to recruit from the State Troops, we already had a number of applications for membership from them, and knew that we could easily fill up the co.

On the 9th March last, we received the authority to recruit in Maj Gen Wagner's Special Orders 1270 of that date, a copy of which is herewith sent, and very quickly succeeded in recruiting the co. Under our proposition to keep up our organization in the field until the 15th Sept next, connected also with the fact that the militia was bound for that period, we have unanimously considered the term of the present company organization to be until the 15th Sept next with the privilege to the original members, who did not pledge themselves to remain till that time to take their discharges at any time, so that if one of them became dissatisfied, or preferred another co, he could take the twenty days allowed under Special Orders 1252 of Feb 21/64, to select his new co for the War, furlough for the War, or if still an exempt to return to his home. There is no egotism in saying that the co acquired a good name in the service as composed of gentlemen & honorable men, faithful to their duties. I say, no egotism, because it was only doing our duty, and hence we had very many more applications for membership than we had places, and a number of excellent gentlemen of the militia over 45 years of age, who were entitled to draw for the three months furlough under the State Law, preferred to join our co, and serve the whole six months, than

to remain in the militia upon any terms, and thus they did so before the conscription was known to have been raised to 50 years of age, but they did this, with the belief that they would not thereby waive any right they had after serving out the six months, which the State Law required of them. And as made known to you in my correspondence asking for the recruiting order, our intention was on the 15th Sept next to let those in the co liable for the War, unite together and form a War co, and thus is still the intention, and then will be enough liable to do it. We also of course expected that the exempts would then be permitted to return home if they desired it, and those over 45, and between 17 & 18, to join the Reserve Corps, if they desired it, or for any of them to remain in the new organization without destroying their privileges. The views herein expressed are unanimous with us all, and I trust that I have had needless uneasiness about the remark of yours referred to at the beginning of this letter, for surely with no plain a case as made by the printed Circular and the Orders, copies of all of which are sent you, neither yourself, nor Maj Gen Wagner, would hold us bound by the present organization for the War; or hold men still exempt to be bound to service, who had such positive protection under the Circular and Orders referring to hold men over 45 or under 18, who have joined us, bound for the War or hold any of the regular recruits, who never had a voice in electing the officers, bound under them, when they expected a new organization on the 15th of Sept next. So fully have I been convinced of the justice of these positions and so completely is my honor committed that if it were decided that we are to hold under our present organization for the war after the 15th Sept next, I should not it my duty to resign my office even if compelled thereby to take the place of a private in the ranks, and so also I believe would every officer of the co. But I have ever found both the Maj General, and yourself ready to do justice, and have every confidence that upon an examination of all the orders, you will both do us full justice.

As said above several original members of the company wished to join another command (Greene's Brigade) to find more active service, and though we should regret much to part with them, we yet felt it due to them that they should be permitted to follow their own inclination, and but for the remark you made to me, I should not have hesitated to grant their request, under the circumstances.

CIRCULAR.

Head Quarters, Dist. Texas, New Mexico & Arizona, Houston, Texas, Oct. 17, 1863.

The Major General Commanding most earnestly requests that the good citizens of every County, of this State, organize themselves, without delay, into companies for the protection of their homes and the defence of the country against both domestic and external enemies.

It is confidently expected that one or more companies will be formed in each County, whose special service will consist in apprehending and arresting deserters and stragglers from the Army, and organizing and carrying out a system of police in their respective Counties, with the view of preserving order, protecting the rights of true and loyal citizens and keeping a vigilant watch over traitors and all suspicious characters.

These Companies will not be expected or forced to go beyond the limits of their counties, unless they think proper in case of an invasion, and will then be allowed to return at their pleasure. In order that these companies, if captured, may be regarded as prisoners of War, and thus have the benefit of exchange, the commanding officer of each company is requested to send to these Head Quarters, a full and complete Muster Roll, in the hands of one of the most reliable officers or men, who will receive further instructions, and whose expenses in making the journey, will be paid by the Government.

II. These companies are expected to provide themselves with arms and ammunition, and will not draw pay or subsistence from the Government, except when serving outside their County, when they will draw Subsistence stores.

III. These companies will consist of 64 men, with one Captain and two Lieutenants, if such number can be secured. The minimum will be twenty-five, in which case, each company will be entitled to only a Captain and one Lieutenant. These companies will consist entirely of persons who are exempt from Conscription, and Draft, and no man will be admitted into these companies, until he shall have taken and subscribed to the oath of allegiance to the Confederate States of America, a copy of which will be filed with the Muster Rolls, and sent to these Head Quarters.

Should there be more than one company in the same county, the senior Captain will take command, and all will be commanded by the senior Captain as a Battalion, when they fall in together. The commanding officer will, under all circumstances, report once a week, to these Head Quarters, the condition and state of the county, and as much oftener as he may deem necessary.

IV. The county jail will be made use of for the security of deserters, and suspicious characters, who will be sent to Houston, to Major Hyllested, Provost Marshal General. An account of the expenses incurred during the length of time the parties have been confined in the county jails, made out by the civil Officer in charge of the same, certified to by the commanding officer of the company who ordered the arrest, will be sent in every case, with the prisoner, to Major Hyllested, in order that payment for the use of the jail, and fees, may be made, which will be done promptly in all cases.

V. The Muster Rolls of every company will be certified to by the commandant of a military Post of the Confederate States; the Sheriff of some county, a Colonel commanding a Militia Regiment or Justice of any county, or judge of any court, before being sent to these Head Quarters, addressed to Lieut. Col. J. D. McAdoo, A. A. Gen. State Troops. The receipt of the same will be acknowledged by these Head Quarters, through the officer or member of the company who bears it, and full instructions for the guidance and direction of the company furnished its commanding officer. By these means, the Commanding General will have it in his power to correspond directly and confidentially, if necessary, with the good people of the county; local good order will be preserved, and the Soldiers serving with the Army, in the Field will know that their homes and families will be under the protection of their neighbors and friends, and through them, under the care of the Commanding General, who most earnestly calls upon the patriotic to make these organizations, with as little delay as possible.

BY COMMAND OF

Maj. Gen. J. BANKHEAD MAGRUDER,

EDMUND P. TURNER, A. A. General

1. Those of the original members of Capt William H. Miller's Co of 1st
^{not completed a unit in the present organization}
Infantry, who desire discharges, will be allowed them by
the commanding officer of the Co, if applied for within five days after notice
of these orders, and will be allowed twenty days to join another Co in the
War in this Department (or District) and their names will be reported
immediately by such commanding officer to the commanding & recruiting officer
of their county with the fact of their discharge and right to select
another Co within 20 days and they will not be enrolled as conscripts within
that period. Such County officer before granting the discharges, will
swear in the men desiring them for the war, and deliver to each of them
an order stating the facts, and requiring them to attach themselves to
a Co within this Dept (or Dist) within 20 days, and on the next must-
er rolls will account for them as discharged under these orders. He
will also deliver to them such papers as appertain to discharged soldiers.
He will immediately on the receipt of these orders notify every mem-
ber of the company thereof, and those entitled thereby who do
not avail themselves of this paragraph within the five days will
be held in the Co. 11. On the 15th day of Sep 1864

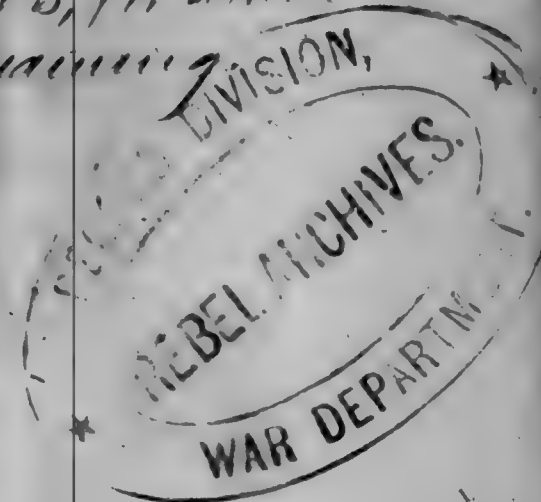

before a reorganization of the Co, all the members of the Co between
18 & 45 years of age, who desire it, will be allowed to join in the war
by transfer other Co's in this Dept (or Dist) in which there may be
vacancies, and the County officer will muster them in for the War
and deliver to them an order, requiring them to report promptly to the Co
selected by them within 10 days from the 15th Sept next and will notify
the County officer of the Co's to be selected by them of their transfer and
deliver to the men the papers a transferred soldier may be entitled to.
And at the same time, those between 17 & 18, and 45 & 50 years
of age, desiring it, will be allowed a transfer to any Co of the
Reserve Corps in this Dept (or Dist) in which there may be a
vacancy and the County officer of Capt Miller's Co will muster

forward to the companies selected by them within ten days, and will
give notice to the officers as in the other case. But those between
the ages of 17 to 18 and 43 to 50, who desire to remain in the
will be allowed to do so with the privilege of taking transfers to the
Reserve Corps at any time, if entitled by law to do so, when the
application is made. III. If transfer or discharge in any case now

handed in these orders will arrive any office the applicant may
hold and place the party as a private in the Co. selected by him.

IV. Those of the Co. who were exempt by law from military duty
when they joined, and who may continue to be so exempt by
law or orders may remain in the Co. and at any time before, or
after the 15th Sept next, will be entitled to discharges upon
application to these Hd Qrs in the form of such report as

V. On the 15th day of September next, those who remain in
the Co. & sufficient to organize, will reorganize by electing
their commissioned officers, and the Capt elected will ap-
point his own commissioned officers. The Comd'g Officer
of the old Co. will superintend the reorganization, muster
in the Co., and return muster rolls. If less than a month remain
to go for a Co. remain in that day, such officer will hold them
together until further orders from these Hd Qrs, for which he
will promptly apply, reporting the Co. remaining.

Personal - Allan use to write you a private & unofficial
letter upon the matters contained in my
official letter inclosed herewith. Your remarks referred to
in that letter has caused me much reflection upon the situation
of my Co, and while I wish to see full justice done every where
I yet see plainly that its position is anomalous and the good
of the service may be advanced by having it fixed at once by orders
and as suggested herein I send you a rough draft of orders, which
I believe will cover every element in the Co and afford protection to
all. I have a good Co and wish to see it remain together and
if you can grant orders, containing the provisions suggested, it
will likely satisfy all interests and positions and give sta-
-bility & satisfaction to all the members. I therefore trust
that they will meet with the approbation both of the Maj. Gen
and yourself, and that orders with those provisions will
be issued & addressed to me here, so that my Co can
receive and act upon them at once.

Very truly yours

sent back from Washington.

Aug 30 1864

Dear Sir

The political prisoner F. Gildart having been sent forward his application in the name of H. G. Gildart to Mr. Gildart, some four weeks ago, and no answer has been received. He expressed great anxiety to know the result and it is considered proper, I respectfully request an answer.

He is the only political prisoner here, and it being possible that my Company may not reorganize on the 15th Sept, I would be glad to be instructed what to do with him in such an event. I am anxiously hoping that you may favorably consider my request, make some arrangement, to relieve my Detachment at Washington Texas under St. J. & B. B. and send them here, as it will be out of my power to either ascertain whether or not the Company will reorganize, or to conduct properly a reorganization, unless I can have the whole Company together. The present indications are that there will be a sufficient number of the Company, who will volunteer, to make enough to organize, but if the Detachment from Washington were sent back, their influence might very much help to a reorganization. Very respectfully yours

William Gildart

Capt 6th Regt

P.S. If my Co does not remain in service after Sept 15, there will be no guard for the jail. Gildart however will then be the only prisoner there and under a law of the last Legislature the Sheriff is bound to receive and keep him safely, when ordered by the military, upon the first furnishing of assistance, but the Sheriff will have no guard, and it would not be safe to have in the jail without one.

Dear Sir, I have the honor to acknowledge the receipt of your letter of the 18th inst.

in relation to the

proposed

I respectfully report that I called to see all three prominent physicians here, including the acting

(by contract) Post surgeon, to examine the case, and they decided that by introducing the iron jacket under the arm, and similar suitable water irrigation (which language was used up to prevent communication from the outside), the ventilation will be sufficient, and I propose to have these instruments made and to keep the prisoners, when they are. The ventilation will

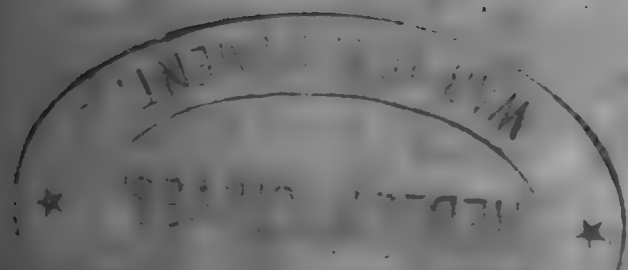

be in my judgment very poor even with this improvement, but that Mr. [Name] expressed his opinion in his peremptory order to me to do this. I was in the act, when I was told to get the judgment of competent men, before taking the responsibility of exercising the authority of removing them, and by his subsequent order by [Name].

But had not the physicians decided that the improvement would make the ventilation sufficient, I should certainly have refused the power granted me by the [Name], who would be held personally responsible, as I should have been willing to limit the exercise of my powers.

I respectfully ask distribution as to what small green like [Name] of the prisoners to be supplied by [Name] with their families and friends. They state that they have been permitted to do so, at pleasure, but I prefer instruction. They have already undertaken in various ways have described their conditions as most deplorable and inhuman and have referred much in the letters upon the military authorities, and their views are in my possession, and I shall retain them.

When I received them at the [Name] I fear from you. I found that they were then in possession of [Name] in [Name].

22. Since writing the foregoing and indeed just now, I received a
dispatch, signed by the Major, which directs me to "bring in
quick and true returns to what?" and "connect" them with the regular
return of yesterday, and not upon that day. The Major also
is a recipient of previous instructions, and that it is intended to
allow some of prisoners in day time. I do not expect that the
intention as the whole but it seems to be the intention and the whole
not intended as a jail. I again repeat that the whole intention is
two previous letters, asking instructions as to what shall be done with
the prisoners in their cells. They have knives & forks, towels scented
and in the hands & in the tops of the cups but are kept in chains &
this cannot be made, but they say that these are the best men
I will attend them in prison before.

 I have just
 Capt. C.

Anderson, Illinois Co., April 20th, 1864.
J. S. Houghtaler, Brig. General
and Chief of Staff
Henderson.

General,

The unusual kindness I was met, by you
a few days ago, encourage me to approach you by this letter.
Notwithstanding your verbal assurance the written per-
mit you kindly granted me to visit my unfortunate hus-
band, would admit me without restriction, Capt. W. S.
Wells here, having charge of the prisoners, puts such a
construction to the said permit as to refuse me admission
for more than one day, unless further orders be produced to
him. I took the liberty to inform you thereof yesterday
by telegraph, but having received no answer to it yet,
I resorted to the present means of communication.

The condition in which I found my husband sick and
lingering on body and mind, increased by the permanent
nature of a narrow, filthy prison; perfectly cut off from
every bodily exercise and from the fresh, pure air, as he is and
his fellow-sufferers here - has filled my heart with the deepest
sorrow and despair. Therefore, General, I confidently hope
that, by the dictation of your human humanity, you will im-
mediately issue a written order to the same tower as your
verbal assurance was kindly given to me, that, for the few days
of my stay at Henderson, I may be admitted without restriction
to the prison of my poor husband and have that brief consolation
in the state of my affliction and despair to have at least seen
him a few more times, before I leave Henderson and him for
my isolated home.

I would further respectfully request you for a duplicate, to
my address, of any such order praying for to Capt. W. S. Wells
or his successor in charge of the political prisoners here.

Very respectfully

and in high consideration

Wm. S. Ziehl.

Head Quarters Columbia Falls Maine 8th 1864
Brig. Gen. May Jr.
Chief of Staff General

When an honorable position is taken by a reasonable Officer, he is ready to yield it, and your self and May. Gen. Wagner have ever shown yourselves open to the considerations of reason, and believing that I have the reasonable side of the question intended to be herein discussed, I again address May. Gen. Wagner through you as nearest his person. I believe General, that with May. Gen. Wagner and yourself, will grant the power I seek, if it can be done consistent with principle, and to show this is my object I applied for authority to recruit my company from the conscript element in the State Troops, and it is answered that it being a militia law, it is not proper to allow it. I then called my company together, and a large majority of it resolved that if it can be recruited, they will keep up the Co organization in the field, during the six months for which the militia is called. This I communicated to Ad. Gen. and the answer is an order to me to recruit my company from the same elements of which it was originally composed. These elements were exempt from conscription and militia are the conscript age. To save time, Brig. Gen. Bee gave me leave of absence, and I am on the point of starting up the country and again write, hoping to convince you all that my request is but reasonable and proper. The conscript element is yet a part of the militia and are to remain so the six ^{next} months, and under the very same military laws of the last Legislature, it is directed that the militia shall not swear into the U.S. service. Hence the U.S. has its troops in the militia, where they take no oath to the U.S. They are absolutely under the control of the Governor and under the State Laws, he could order them home at any time. On the other hand, my company, for the six months will be in the service and sworn as soldiers, and by an voluntary act, under the control of the U.S. officers, provided we can recruit the company.

Now General, let me show the advantages of allowing me this privilege over preference to the militia. First - We are in the U.S. service now and a majority propose if allowed

in person, to remain in the militia, while it is no better with the
militia. 2nd My company are sworn as ^{volunteers in service} ~~less~~ soldiers, while the
militia are not. 3rd We would be under the control of the
Co. Officers, while the militia are not. 4th At the end of the six
months, the county marshal would have greater control over the conscript
element in my company than in the militia, because he would have
more power over them. 5th And if allowed to recruit up to the
maximum, at the end of the six months, a company would
be formed out of those of my company liable to serve during the
war. I have also personal applications to me from friends in the militia
who earnestly desire to join my company, and I know they will
make good soldiers under me, and also good soldiers, in the war
after the six months ends. If allowed this power to recruit from the
conscript element in the State Troops, I can get the men beyond doubt,
but if this is refused me, I fear that I shall not do it, and in that
event, I shall be mortified by seeing my company go home, or
at least a part of them. I am an exempt, General, and am
therefore not seeking a soft place for myself, and my desire to serve
my country alone prompts my movements and application. His power
of reason, I know is appreciated by our distinguished Maj. General
who is ever ready to listen to the humblest under his command, and
I have made myself obnoxious to the charge of being traitorous, in
cause. I believe I have the reason and right of the case and believe
that you will all concede it. I go hence to Safford, and trust
to receive an order from you there allowing me to recruit from
the conscript element in the militia. If I am troubled again, I
will write you.

Very respectfully yours

Capt - Webb to

March 8 - 1864

Columbus. March 3rd 1864

Dear General

I write you in confidence so far as to request that you will talk in person to Gen. Weyonder about my proposal to increase my company. ~~Because~~ I feel sure that you can with him succeed, ~~unless~~ if ~~the~~ ^{the} staff, it may fail.

The U.S. Officers have ~~agreed~~ ^{agreed} to let ~~the~~ ^{the} conscript element remain in the militia for six months, and ~~that~~ too in the face of the State law, which declares that the State Troops shall not be mustered into the U.S. service, while my company is under the control of U.S. officers. Over the State Troops, the Governor under the State Law exercises absolute control and could take them away from Gen. Weyonder at any moment. Now my company having agreed to keep up its organization in the field for six months provided it can be recruited, we offer more reason, why we should be allowed this privilege than the State Troops, because the men enlisted with us would be under the control of the U.S. officers and the Governor would have nothing to do with us.

Surely the way you will not grant more privileges to the militia than to my company, when we are far more under his control than the militia. I wish to keep my company in the field for at least the six months, and unless I am allowed this privilege of recruiting I cannot do it, because if I fail to accomplish it, a majority will go home while if I am allowed to do it, it will be enough to keep up the organization in the field as the new recruits will all be in favor of remaining and they with the members now in the company in favor of it, will make a good sized company. Another consideration is that the company would be almost sure at the end of the six

months to enter for the War, that is, those that would then
be liable to conscription would form themselves into a com-
pany for the war. I ask nothing unreasonable
nothing that cannot be granted - nothing greater than
allowed to the militia - nothing that would militate against
the public service, and it is impossible for me to
see the objection to at least putting me in as
good footing as the militia, when by our proposition to
remain as an organized Co in the field for six months
if we can recruit, we propose more than the militia
because they would wish to be at home permanently.
General. I don't wish to go home at present. It is true
I have poor health, and on that account have not taken much
part in active service, but I believe that during this spring & summer
we shall have all that we can meet, and hence my anxiety to
keep my company in the field. If I cannot recruit however, the
company will certainly go home during this month and
all my persuasion cannot retain them. They have had hard
service, on guard nearly every other night and having responded
to an emergency, they will not be willing to remain, unless
they can be convinced that it is necessary & but they have proposed to keep
up the organization in the field for the six months, if they can be recruited
so as to divide the duty. And above all, with these recruits in the
company (I asked to be allowed to recruit fifty) there will be a
large majority of it whose interests it will be to remain, because
liable to conscription and we can send those home who will not stay
satisfied. General help us, if you please, and have the order sent to
me immediately. You can I know talk the old General out of it
and answer all objections.

- IV. He and those assisting will swear in each recruit as enlisted, and furlough him to a designated time until the organization of the company.
- V. The members of these companies shall be entitled to bounty, ~~and they~~ ^{and they} ~~shall~~ ^{shall} be paid to pay & rations will commence from the organization of each company, and their muster into service.
- VI. Each man will arm and equip himself as far as possible, but where he is not able to do so, arms will be furnished. Each man must furnish his own horse.
- VII. Capt Webb will act as mustering officer and will muster in each company as organized and cause proper muster rolls to be made out and returned.
- VIII. Transportation will be furnished Capt Webb and those appointed by him to recruit on the railroads in this District, whilst engaged in the discharge of their duties.
- IX. He will upon the mustering in of a company make requisitions for subsistence stores, forage and other supplies, and where not convenient to obtain them, will receipt for the tax in kind, or buy on certified accounts and the necessary transportation will be furnished him for his command.

Dear General

In my conference with Major General Hays on the subject
of raising a command, I suggested the propriety of allowing
the transportation to be composed of pack mules & horses in-
stead of enabling the command to move rapidly, and not to
cumber it with wagons. In the Mexican War, I was
a member of Col Hays' Texas Rangers, and there saw the
superior efficiency of a command of that kind, compared
with companies, which used wagons for the transportation
of their supplies, and have since the commencement of
the war, concluded that cavalry commands should be
equipped along with pack animals. Supposing that the
proposition might not be received with favor, I did not
insist upon it in the original draft of the order, I
submitted it to the Major General for his consideration,
but in the interview found that the Major General
had not only had this matter under consideration,
but had taken steps to provide his cavalry with pack
animals, and if allowed to raise the proposed com-
mand, I respectfully ask that I may be allowed to
provide them for it. I am not liable to be taken
into the Army, and not at all likely ever to be sworn in,
and my desire to raise this command is prompted solely
by my wish to do all I can for my country, and
if allowed the favors asked, I believe I can raise it.
But under existing circumstances, I do not believe
that a command can be raised in Texas for the war
without such privileges as are requested by me, and that
I feel sure that you will see in the failure of others
to get men to volunteer for line commands.

I most respectfully call your attention to the fact, that the guard & police duty at this Post is too onerous for one small company.

The rail-road depot, and the several depots of the Iron & Coal Agents have all to be guarded, and the good order of the town to be preserved, and I am just called upon by Lt Bloomfield for more guards, and the duty will keep my company so much on guard, as would in a few days break down soldiers accustomed long to service.

There is a cadet company of 40 at the Post, who Capt Bradford claims are under special orders to do guard duty over Ordnance stores deposited here, and he states that he only has 18 men fit for duty and that they leave all they can stand, and it is claimed that they are independent of my command, ~~in regard to guard duty~~ as concerned. I am also satisfied that they ~~cannot~~ ^{can} do.

You will remember doubtless that in yesterday I mentioned to you Wagner the fact of two men (Germans) near Columbus Texas brought from Brownsville loads of merchandise and among other articles 15 or 20 kegs of powder, which they now have at their houses. Upon more particular inquiry today from my informant, I learn that he was in Brownsville when Brig. Gen. Bee left there, and that in the confusion some party got these men to load their wagons and directed them to deliver the articles to John Roseupold at Abilene; that no receipt was given, and the men got through with the loads and took them home to appropriate them to their own use; that they know not, whether the goods belong to the Government, or not, but he does know that the present possessors have no right to them, and are only entitled to their profit, and that they mean to take the loads and sell them. He also states that there are other instances in that section of country (Colorado County) in which the same game was played. He further states that the powder is a very fine article of rifle powder. If under this state of case, it is thought best to take the goods and you will send me the proper orders, I will have it done at once. I should need a transportation order by rail road to Abilene & back for my men, and an order to Capt Wolfe at Columbus to furnish them rations, and also horses to ride, and a wagon & team to haul the articles to Abilene, and

A. C. General I send Lt Shaw to be sworn to arrest
at Mc. Killo's Farm three of my men, who left me this
morning without leave, and in contempt
of Orders. They are boys under 18 years of age, and are the
only members of my Company that have given me any trouble
at all. I never heard of their leaving till since dark, or I would
certainly have stopped them. Not only have they left, but two of
them have taken off State guns, which were in my charge
as Regimental General and loaned to them to be returned on
my return home. To some of their friends they stated that
they intended to join a Co. S. Company for the war and to others
that they would return, but only when they pleased. Such
contempt of authority must be at once repressed, or it is
useless for me, to attempt to discipline, and I therefore respectfully
request that you give to Lt Shaw such Orders as will
enable him to find these men and arrest them; also
have him furnished with a proper pass to secure his re-
turn through the pickets; also an Order to allow him
to draw rations and another to call on the proper Officer
for assistance, if he needs it. If these men have joined
for the War, I have instructed Lt Shaw to let them go
as I shall be glad to be shut of them, but to take the
guns, which belong to the State.

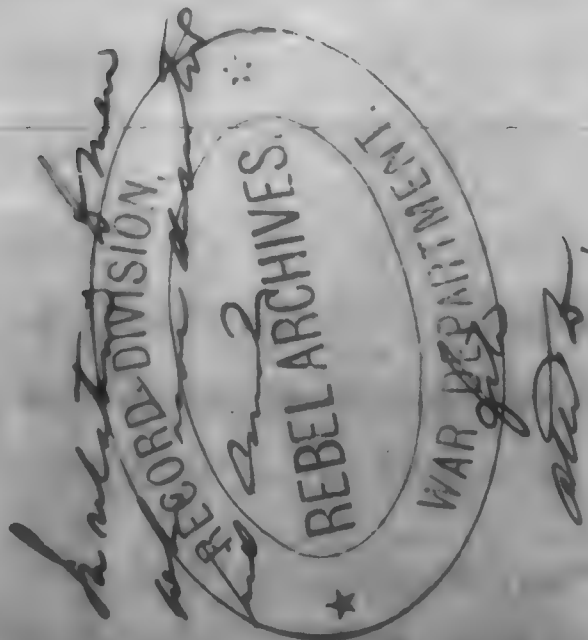

In this connection I also respectfully ask
to be instructed as to the power to hold individuals, who
may be disposed to return home and quit an Ensign

Company, such as mine. Should not the voice of the Company in such a case govern? If a man can leave at his pleasure, all discipline will be lost. Gen Weyburner in his Circular of the 17th Oct last under which we organized, declares that such a Company may return home at its pleasure, but it occurs to me that this does not imply that a single man can do so. experience in that kind of service during the wars of Texas.

Such a company would certainly be useful, and the

character of service would be attractive to old campaigners, and as an inducement to that class to enlist, I have drafted above, the outlines of a Special Order, which I think would secure the raising of the company. I however submit the outlines merely as a suggestion, leaving it to Maj Gen. Wagners to grant such a special Order as to him seems best, and I will undertake to raise the company under any, or rather I should say, will do my best to raise it. If the outlines suggested should meet his approbation, I have no doubt of success, and it is probable that I could succeed under any Order he may issue to me. My main object is to induce the experienced old fighters of Texas to join this company, and hence in the outlines suggested, I have incorporated such features as in my judgment would best reach them. If I could raise such a company from among the old campaigners — men who could follow an Indian trail, where an inexperienced man, could find no sign of a foot of horse or man — I would rather command it than to be in command of a battery. Be so kind as to submit the matter to the Commanding General.

I address you because of a personal acquaintance, that you may be as kind as to submit my proposal to the Commanding General. My health, as you know, has been poor for a long time, and only this, has kept me at home till now. It is probable that May Gen King's order is General Order of 50 of the 28th of this month ~~has~~ already prepared to send the three months' troops home, and as that order directs that each Brigade shall be organized into a Regiment, I call your attention to the fact that not a Brigade called upon have men enough for a regiment. This Brigade has to furnish 450 men. Some few have run away, a few have been illegally drafted (over age at the draft, or already in the U.S. Army) and some are delinquent, and so we shall hardly be able to obtain over four companies. In view of this fact, I respectfully ask instructions as to the organization, and would be pleased if you will specify what field and staff officers a Battalion will be entitled to.

His Excellency, the Governor of Texas

By General Order, directed me to send
Companies of three months troops from this Brigade, to report
to you at Austin, as fast as organized. Two companies have
been sent forward, and another will go down on Thursday next.
This latter company is not only poorly armed, but badly
clothed, and badly off for blankets. A few of the men are well
furnished, but many of them are poor men, and have not
the means to furnish themselves. I have distributed the arms
furnished me by the State, and yet in all the three companies
there are men without arms. I shall write at once to the Governor
in the hope that he may be able to furnish more guns, and if
possible, enough to arm the command. I can obtain no tents
here from the S. S. Co (Capt J. E. Garey), and to put these men
in the winter from their comfortable homes at this season of
the year, badly prepared as they are, must inevitably cause
the death of many of them. I therefore hope that tents or
barracks can be furnished at Austin. About 100 men
have failed to come to the rendezvous as ordered, and I shall
start out a cavalry force to force them in. This will detain
me here some days. The troops from Galveston & Wharton
companies, were ordered to be here today, but I learn that in
consequence of irregularity in the mail, the order did not
reach the officers to make the draft, in time, and it will
be sometime next week before these troops arrive. All possible
expedients shall be used to send the men forward.

I have just heard a report that Brig. Gen Bee does not longer enforce Martial Law, and though I doubt it, yet I think it best to address you, so that if it be true, you Hebert may send me instructions, and if not true, you may do me the favor to hand this over to Wm Gray.

In the 'The Weekly Galveston News' of the 18th Inst, and in the 'Weekly News' of the 20th Inst, there is published what purports to be, an extract from Order No 42 of our Secretary of War, which parties here, who are wishing some excuse for not taking Confederate money, submit nullifies General Order No 6 of the 1st July last issued by Gen Hebert. The papers are accessible to you, and you can see the matter referred to, which arose upon Mr S. H. Hankins of Texas, refusing to take "certain kinds of money as administrator." The 2nd Clause of the reported Order No 42, declares the construction which the enemies of Confederate money desire the order to bear, because ~~in~~ the enumerated powers of the Court Secrete &c. there is none to collect debts at all.

Several days ago I wrote to Wm Gray upon this matter, but not having the paper before me, I made a mistake in describing the article published, and hence if Gen Bee is acting, you will oblige me by handing this over to him A A General. Two weeks ago, I wrote Wm Gray, asking of Gen Bee instructions upon the cases of Grassmeyer, Friedman and Friedlander, and if true, that he is not acting as above, please be so kind as to obtain from Wm Gray my letter, and lay it before the Commanding General, as the parties are clamorous for decisions.

Headquarters 22nd Brigade, Texas State Troops,
Lafayette, Texas, July 8, 1862.

Governor, G. R. Lubbock,
(Austin,
Texas,

Dear Governor,

Complaint was made to me after night, on Saturday last, that men were going about in the Western part of this country, pressing guns with a high hand, and committing, also, insult and outrage in the manner of doing it. As provost Marshal I issued a writ and had them arrested and the guns taken and brought to me.

They presented a written order to one of them from a Lieut. J. H. Osborne, of Capt. Sanford's Company, 10th Cal. Bales' Regiment, Co. B. A., stationed at Delancey, authorizing them to press the arms. I then released the men but kept the guns and summoned the Lieutenant before me. He came today and presented Special Order, No. 190 from Lieut. Bales to him to the effect that he should buy guns if he could, and if he could not, then to press them.

I had also notified him to bring me every gun that had been pressed and I have now eleven guns which they delivered to me, or delivered 6, and 5 were taken from the party arrested by my posse. I paroled before the proper tribunal.

In one case it is reported to me ~~that~~ these men went to the house of Captain

Leung bar, who now is at Fort Brown, commanding a company in our Army, and pressed from his wife the only gun she had, and many reports came of their insulting, violent and outrageous conduct).

The order of Col. Bates did not purport to be founded on any order from Gen. Hibert and he (Gen. H.) is the only Confederate officer in this Department that, in my opinion of the law, has power to give an order to press anything. And if Col. Bates had General Hibert's Authority he should have shown it in his order, or sent along a copy of General Hibert's order, and then the Lieut. should, it seems to me, have first come to me, as P. Marshal, and shown his authority to do this thing.

If a proper appeal had been made to the people to sell their guns, I believe enough could have been obtained to supply the men. The Lieut. swore that he did not know whether Col. Bates had authority to press from Gen. Hibert or not. The men would go to a house, state that they had power to press guns, then offer to buy them, and some sold in the fear of having their guns pressed, and then they got a receipt. Others held on to their guns and they were forced from them.

The order to Lieut. Osborne was personal, and he being unwell, delegated it to a private of his Company. I felt it my duty to stop the whole proceedings, and did so, and shall hold on to the guns until I hear from Headquarters of General Hibert whether or not the pressing was done by authority. If so

I suppose I must give up the guns to Col. Bates; if not I shall return them to the owners. If the guns of the militia are to be taken from them by force, how are we to defend the state in case of invasion? The power to press is extraordinary; is an infringement of the rights of the people, and should not be resorted to except under the most pressing and urgent circumstances, and even then it should be committed to discreet hands, under the most stringent safeguards. Gen. Beauregard has published an order to the effect that he alone has power to have any thing pressed and that if any officer or soldier of his is guilty of pressing without his authority, the offence shall be punished with death. Surely a more, Col. Beauregard, when the Commanding General is accessible, has no power to have pressing done, and surely the Commanding General would not send out a Lieutenant to press, without knowing the man, and furnishing him the most careful and pointed instructions. Some of my friends here think I may have gone too far and that I myself may be court-martialed for what I have done, but I acted according to my convictions of duty and will take the consequences.

Though I acted as Provost Marshal. yet in my other capacity of Brigadier General I feel it my duty to report the matter to you, the guardian as well as the Governor of the people, that you may take such steps in the matter as you think the case requires. Let our officers have the power to press arms from your Militia and soon our

State will be defenceless, and as the mercy
 our enemies, and more, there will be no end
 to the outrages, ^{that} it will lead to, for let the
 pressing once commence by the authority of
 under officers and it will not stop at arms,
 but soon everything will be pressed that is
 desired, and our people will soon learn
 to fear the very sight of our soldiers, and
 will regard them as a terror.

Note - On the 11th Oct 1862, Gen Hebert, then commanding the District of Texas by his General Order No 2, revoked Martial Law, and this order was received by me on the 28th Oct 1862, when I ceased my functions, but myself and deputies acted to that day. L. D. Webb was my clerk and had the heaviest duties to perform, being closely engaged every day, and hence by the voice of all in my office, he was entitled to more pay than the others. The duties of S. S. Houser for the first

months were heavy, and after that not so heavy and hence I agreed with him fifty dollars the first month, and twenty five dollars per month for the balance of the time. J. C. Steibel was very necessary and useful, and earned twenty five dollars per month, the amount I allowed him. In settling out these claims, I have only incurred the time for which I actually paid them, but they are justly entitled to pay up to the 28th Oct 1862, viz. W. D. Webb from Sep 12th to Oct 28th; J. S. Wenger from Aug 1st to Oct 28th and J. C. Steibel from Sep 1st to Oct 28th 1862, and I submit their claim to your consideration. As pay was no object with me in accepting the office, I have not been particular as to claiming the same solely in favor of myself.

I certify on honor that the above account is correct and just; that the articles were furnished and the services rendered as therein stated; that they were necessary for the public service; that the above amount of One Thousand dollars is all the money received by me as Provost Marshal from the Confederate States or its officers, or from any other source, and that the disbursements of the same were faithfully made.

WAR RECORDS
COPIED

Capt. L. B. Davis
A. A. General
Houston. Texas

Captain

I today received the appointment of
Deerfoot Marshall for this county, and accept
the office, and will do my best to discharge the duties faithfully.
Also at the same time, I received General Orders numbered 42
& 43: also the authority to call off Governor Sublett for assas-
sines from the Militia, and the authority of the Governor to command
the Militia as far as may be needed.

I would respectfully suggest the importance
of Martin's Law being in active operation in the counties of
Colorado, Gonzales, La Brea, Hays & Bastrop ~~Marion~~, by the time, or
before it is put in operation in this county, because I apprehend
that as soon as it is known that a Deerfoot Marshall has
been appointed for this county, there will be an exodus towards
Mexico, of certain persons, who are disloyal, and being carried
by the Conscript Law, they will attempt perhaps to get beyond
the Rio Grande: indeed some have already done so from the county
but when they find the boundaries through which they are to pass
prepared, they will be detained.

I propose to issue printed
notices to be posted throughout the county, which will take four
or five days, and in the mean time, I shall keep silent as to my
appointment, and have all ready to commence operations, the
moment the notices are ready, and by that time I trust you
will have made the appointments in the other counties.

Referring to the Commanding General's Proclamation, I
would respectfully inquire, if it contemplates the enrollment of all
persons over 16 years of age, or only such as may be considered sus-
picious? And does it mean that I shall issue a personal notice
in each case and have the party summoned before me?

1002

It is highly important that certain disaffected persons in this County should be required to take the oath of allegiance to the Confederate States, and I would like to be advised as to the extent of my powers in this particular.

The Proclamation refers to "persons who claim to be aliens" and I have information that there are persons in this County, who will so claim, and really have never even applied for letters of citizenship, though they are foreigners, but have settled here permanently, have bought land and made permanent homes, and some of them have declared their intention of spending their lives in the Country or of remaining here during life. It seems to me in such cases, that there is in fact a renunciation of allegiance by the acts of the parties and that they ~~cannot~~ be entitled to claim to be aliens. I would be pleased to have instructions on this point.

Again the Proclamation requires all disloyal persons and all, whose presence is injurious, to be removed from the District of each Provost Marshal. May I inquire, if it would not be my duty in such case to send such persons to the adjoining S. to be by him sent to ^{the} next and so on? A matter of grave consideration might here be as to what direction shall such parties be sent? To send them to Mexico would be just what many of them would most desire, and there they could plot treason to their hearts' content and I have no doubt that there are now at Matamoros, citizens of this State, who are trying to organize an invasion into Texas, and to send disloyal persons in that direction might do us more harm than to keep them here, where they could be watched.

Will you be so kind as to lay all these matters before the commanding General, and give me such instructions as may be considered proper?

I have appointed J. S. Winger Esq of this place Inspector of Passports, at the Stage Office here.

We have a daily mail by stage (except on Mondays) by way of Breckinridge
and Albyton, and the travel being large, it is very necessary
that this appointment made. Judge Winger is a true and
patriot and every way qualified and worthy of the
position.

He will bear this letter to you, and will
confer with you for the commanding general fully in my be-
half, and I shall be obliged to you for all information or
instructions that may aid me in the proper discharge of
my duties.

I send herewith by Judge Winger
my notice, and have commissioned him, if approved, to
have it printed in hand bill form, at Houston, as we have no
means of doing so here. I have also authorized him to make
any alterations or additions, which may be thought proper by
the proper authority, and to hand you one of the printed copies.

Another point, which I have just thought of, is
could it be proper to punish parties for acts done before Marshall
Law was proclaimed, or for words or declarations made before that
time? Parties here have speculated on Confederate money, making
a difference of 50 cents on the dollar, between that and gold, and
some merchants openly have one price for Confederate money, and
another for specie. And a number of persons have made disloy-
al declarations heretofore, who will take care not to repeat them
after they learn that the Law is in force. Please also instruct
me on this point.

Very respectfully yours

William A. R. R.

P.S. If you have not already selected a Provost Marshall for
Colorado County, I would most respectfully suggest the
name of Col. W. S. Delaney, as every way qualified.

Capt. Saly's company verbally authorized Mr. Settle to re-
cruit men for an Artillery company, which Capt. Saly was
proposing to raise; that according to Mr. Settle, did enlist
Mr. Taylor and others and had been sworn in in Colorado
County by a Justice of the Peace; that they all joined under
the belief that they were going into an Artillery company, and
went to Houston to find the company, but that when they
got there they found the Artillery company disbanded and
Capt. Saly forming a Cavalry company. These gentlemen
were much dissatisfied, and wish to be released
voluntarily, so that they may enter service to please them, and
they claim that they were not legally mustered into
service at all, as they believe, this party who had it done
was not properly authorized, and I have referred them
to you to decide the matter for them, and General, from
your known character, I believe you will meet out prompt
justice in every case. And I would

further most respectfully inquire, if the many
persons, who are traveling through the country, collecting
men and swearing them in, or rather obtaining a
Justice of the Peace to do it, have such power. Captains

Several persons in this county would
commission from the State in some of
his officers, to enroll companies for his
Regiment to go into Col Maul's Legion, and men liable to conscription
are now being enrolled, and it is claimed by the officers enrolling them that
they are free from the jurisdiction of the conscript enrolling officers in
the county. One company, I am informed, is nearly completed, and is made up
almost entirely of those liable to conscription and they propose to leave this
county for the camp of Col Maul on Friday next. This company has
been enrolled in the last 4 or 5 days. Will you be so kind as to
direct me what to do in such cases?

There are also parties in this county, who enrolled their names on
the rolls of companies now in service, before the 15th May, and obtained privileges
from the captains of such companies, and some of them have had themselves
sworn in in the last five or six days, and others are not yet sworn in, and
they all claim exemptions. What shall I do in these cases?

Under General Order, No 46 from your Department, I
have appointed the following Enrolling Officers in Texas:
Lt A. W. Haison of Salpauge, Texas for the county of Fayette.
Capt. C. Windrow of Columbus Texas for " " " Colorado.

Herewith I send you copy of my Special
Orders No 4 for the Enrollment of the Conscripts
in this Brigade and trust they may be approved.

There being no explanation of the meaning and intent of the
the various classes of exemptions specified in the Conscription Law, I apprehend
that there will be little uniformity among the Enrolling Officers of the State.

A case has been this day presented to me of a Quaker, who commenced
a school on yesterday, in this county, and it being clear to every one
that his object was to avoid enrollment, I directed that he should
be enrolled. The terms "judicial and executive officers" are various
ly construed by the public, and I would most respectfully suggest
the importance of the General Commanding specifying plainly, who
are intended.

Capt Alexander previous to the 16th
of May only enrolled 31 men and under special Order No 131
from your office, he claims the right now to enroll conscripts.

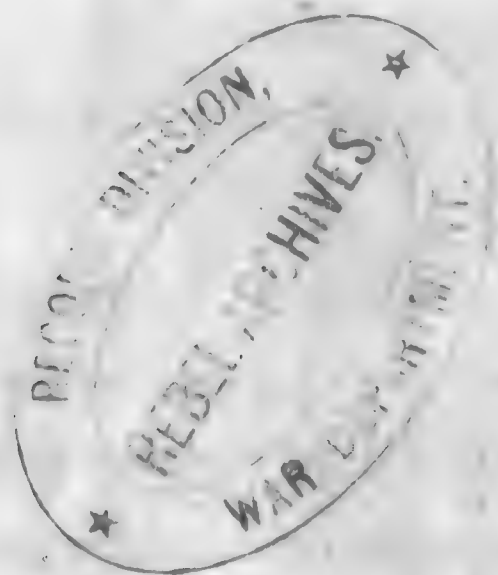

Also Capt J. A. Sedbetter of this county, under authority from Col
Kirby who, (K) has authority from Col Maul, has since last Friday
enrolled about 80 of the conscripts (or rather those liable to conscription)
of this county, and proposes to learn to swear them in tomorrow and
to take them on Friday to Col Maul's legion. Again I most

respectfully ask instructions, upon all the matters now and
heretofore submitted

Having just received your letter and read

in the Telegraph, general order No. 100

I shall at once appoint the Enrolling Officers presented, and as far as possible the four companies, Texas large territory, to save time, I respectfully ask the power to appoint assistants to aid in the enrollment, the reports to be made by the principals and the assistants to be under them.

The Secretary of War has presented no rules as to those "unfit" for duty, and I am obliged to know what to do in such cases. Shall they all go to the camp of instruction and there be examined? Under the terms federal and state law?

Will they include border city residents? Will they include Commissioned Officers of the militia?

Will they include "journey men printers"?

Under the terms "journey men printers" is a person who has, who commenced the publication of a paper, has written and who

is editor and owner, and having a very limited knowledge of setting type, assists in that work?

Is journey man according to Mr Webster is one who is hired to work for another. Does the A. S. exempt

persons immediately, allow one liable to conscription to commence an

employment now and thereby exempt himself?

Has one exempt by the Enscription law the right

now is voluntary and was the State? To state the case intended,

I am informed that Capt Morris claims to hold authority from

some General at Comanche to raise 250 partisans in Texas, and

Capt Andrews Child is raising a company under Morris, and

certain conscripts here wish to furnish their own horses and outfit and

join Capt Child. Will this be allowed?

Very respectfully yours

P.S. Has one conscript or rather one liable to conscription the right to

to volunteer? Capt V. Alexander had collected nearly one

in his company before the 15th of May and he now proposes under your

Special Order No 151 to fill up his company with volunteers, from

those liable to conscription. Is he thus right and shall the Enrolling

Officers allow men to join him?

Pressing guns

by order of

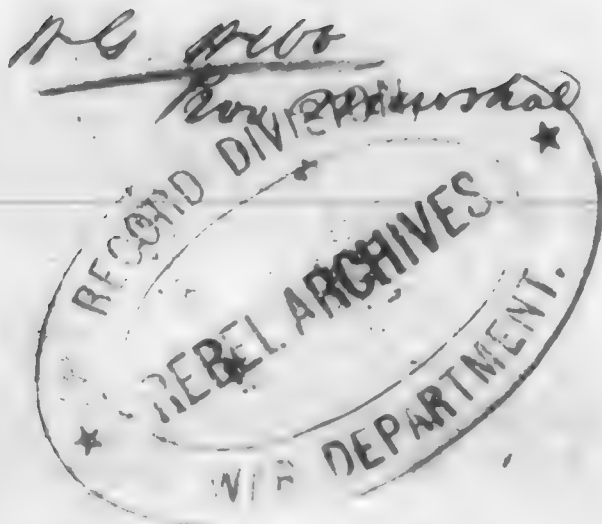

Cochran

Office of the Provost Marshall of Fayette County, Texas.
Capt Samuel Boyer Davis & S. A. Salpange. Texas. July 7th 1862
A. A. General in Houston. Texas 3 Captain.

I have to report that on Saturday last complaint was made to me of a squad of six men going about in this county pressing guns, and I had them arrested and the guns, which they had pressed brought and delivered to me. These men and others, are reported to me as having been guilty of outrageous conduct in their proceedings. Some of them went to the house of a captain of the U. S. Army, now at Fort Brown, and forced his wife to give up the only gun she had, and in a number of instances, it is reported to me that brutal force and insult were used in pressing guns. After I had the men arrested, another man came in and showed a written order to him from Lt. J. H. Osborne of Capt Sanford's Co, Col Bates' Regt U. S. to press guns, and I released the men, retained the guns and issued a summons to Lt Osborne to appear before me, as he was reported in this county. Today his (Os) father sent into me, what purports to be an order (Special No 190) from Col Bates to Lt Osborne the meaning of which is that he shall first try to buy arms and if he cannot buy them, then to press them. This order does not show that Col Bates has any authority from Gen Hebert to press guns, nor is any reference made in it to any order from Gen. H., nor does the Lt pretend to have any order from Gen. H. The Lt is now absent from the county, and had delegated this obnoxious power to privates of his company. It seems they made no great effort to buy guns, but confined themselves to a small part of the county. If they had appealed to the patriotism of our people, instead of appealing at once to force, they, I believe, could have purchased as many guns as they needed. As I understand the laws, no one but Gen Hebert in this Dept, has power to order a pressing of anything. It is a dangerous power, and the Gen, I feel sure, would only exercise it, under the most pressing necessity, and even then, he would have it committed to the most discreet hands, under instructions carefully guarding the power, and the manner of its exercise. I have ordered all the guns pressed by these men to be brought to me, and feel it my duty to hold on to the arms, until I can hear from you in the premises. If the matter has been legally done, I of course shall deliver up the arms. Very truly Yours Wm. H. H. Provost Marshall of Fayette County, Texas.
Please let me hear from you.

Capt. G. W. Mason & S. A.

Captain.

I reported to Capt J. B. Davis at Houston
a case of pressing arms by a Lieutenant
and his men in this county, who claimed
to be acting under Order of Col J. Bates & S. A., whose Regiment is at
Abilene, but the Order, which the Lt bore did not purport to be forwarded on
any Order from the Commanding General, and I took the arms into my
possession and stopped the pressing, and I shall be much obliged
if you will inform me, if Col Bates had any Order from you the Genl.
for the pressing of arms in order that I may know what further to do.
When I wrote Capt Davis, I did not know that the General's Head Quar-
ters had been removed to San Antonio. I have no answer from
Capt Davis, and know that he is sick at Houston.

I find that some of the Provost. Marshals are charging
fees for issuing pass-ports, and regarding it as very
improper to do so. But not knowing that I am right,
I would be glad to be informed, if it is allowable.

Please be so kind as to inform me what pay a
Provost. Marshal is allowed, how often he can draw it and what
his rank.

Under the circumstances existing in this County,
it is my duty to require all ^{males} of 16 years of age and upwards
to take the oath of allegiance. The time limited for it will soon be
out, and I am happy to say that nearly all have taken it.

What pay is allowed the assistants of a Provost. Marshal? I
have had much work, and have done it all so far with two assistants
but I find great need of another, to do the work properly. Would
I be allowed to appoint one. J. S. Wenger and Frank P. Webb are
my present assistants, and I reported their names several weeks
ago to Capt Davis for confirmation by the Commanding General, but
have never received a reply. How often, if at all, should a Provost
Marshal report to Head Quarters and what matters report?

Very Respectfully yours

Monday ^{next} is the time fixed for the Rendezvous
of the troops of this Brigade ^{from May 10th & Colando Counties} and Columbus the
place fixed for the Rendezvous. I purpose going down tomorrow
to be ready to receive the troops, and you will please address me at
that place, until further notice. There is some dispute as to the
number needed to form a company. Please advise me if there must
be 64 men exclusive of the commissioned and non commissioned officers
or ~~add~~ the 64 include many of those officers. I have in vain tried
to obtain the acts of Congress and am not fully posted as to the
law.

Do you desire that the companies
shall be sent down as early as organized, or shall I wait
till all are formed? Monday next is fixed for the rendezvous at
Columbus of the troops from Martin & Matagorda Counties
and if allowed, I would prefer to keep all there until all arrive,
as Martin & Matagorda both together have only to furnish
fifty men, and they will not make a company.

When will the Regimental organization take place
and where?

May excuse me for being troublesome, as points are continually arising, in which I need direction.

Some of the men drafted from this Brigade were not received by any Army Surgeon, on account of physical disability, even under the stringent regulations upon this subject. I did all I could to have the militia purged of disabled persons before the draft, by issuing orders to that end, but some were at home sick and the notice never reached them, and upon some of them the draft fell, they not having presented certificates of disability. Now that the draft is over, and the men virtually in the Confederate service, it seems to me that the militia officers have lost control of the matter, and that the examinations should be made by an Army Surgeon, detached for that purpose. The Camp of Rendezvous, I have fixed at Columbus, Texas, and as there are several Surgeons there in attendance on the Hospital, if the Confederate authorities have jurisdiction, I respectfully suggest that one of them be detached to do this duty. This is rendered the more necessary by the late order to send the men forward in companies, and there could be no Regimental Surgeon.

Any point of interest is that by the 35th Section of the State Militia Law, every draftsman has the right to furnish a substitute in "an able bodied white man, who shall be approved by a majority of the commissioned officers of the company to which such person belongs, armed and equipped." As these troops are for the Confederate service, it seems to me that the Confederate authorities would have the decision as to, who might be able bodied, but of this, I am not certain. If so, the men would either have to carry their substitutes to the camp, or some surgeon appointed in each locality to make the examinations. Pay for substitutes is now at very high figures, and I am harassed upon this subject by a number, who urge that they have to pay their substitutes in advance, and that they do not think it just that they should be forced to risk a rejection at the camp, after they have paid out their money, and they are clamorous to be allowed to have their substitutes examined at home, and if allowable, I would be glad, to be permitted to have the examinations made by the militia Surgeons.

Some have also been drafted, who wish to haul for the Government as they have wagons and teams, and others, who are shoemakers, saddlers and blacksmiths, wish employment in their trades. Applications have already been made to me by Government contractors to detail men to haul for them, but I have declined, not considering that I have any such authority, and I refer these matters to you for your directions.

Very respectfully yours

of the transaction of one Mr. Ford, with a person by the

By these statements the matter resolves itself, simply into
a commercial transaction between Mr. Shearer and Mr. Ford, the latter
never was a government Agent, and therefore he has been either mis-
-represented by Shearer, or else he lied and imposed on Shearer -

Although I was not in Command at the precise

are malicious misrepresentations: I make this last remark for the reason
that Speculators and others, for their own ends, are constantly cir-

The Revenue Officer here protested and refused to receive from Capt. Gurley even a receipt, ~~until~~ I felt it my duty to take the articles. They include 10 doz gravel shovels, 4 doz common shovels & 8 doz spades, one cash hoe and seven picks. These were all of the description Capt. It is believed that Mr. Dorsey will send an officer to seize the vessels and cargo and I would respectfully ask instructions what to do in such an event.

Bng. Gen. Stanley
Chief of Staff General

Referring to the subject matter of my conversation with Maj. Gen. Wagner last night in which he has no doubt communicated to you. I beg leave respectfully to suggest that the service for which I propose to raise a command, will be a very popular one in Texas, for the reason that that character of service will be preferred by the citizens to any other, and in view of the indisposition to volunteer for line service, I think if allowed I could raise a Battalion or Regiment for the service sought by me. The present status of the conscript element in the militia, makes those liable to conscription prefer the militia to volunteering in the line, because they have strong hopes that the militia will not be called out, or if called out, that the service under state officers will be comparatively light, particularly as the Act of the Legislature provides that the state troops shall not be mustered into the service of the U.S., and it will require more than an ordinary incentive to induce them to volunteer. Besides they have hope that by the end of the six months, there may be peace, and thus flatter themselves that the militia service will be far preferable. I have had opportunities to hear their sentiments and ~~from~~ will be satisfied of the indisposition among them to volunteer.

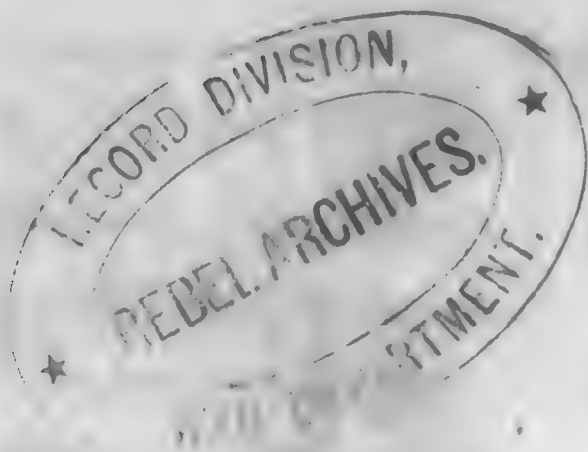

Now with this fact, if by offering services as Scouts & guides I can bring a number of companies into the field for the war, it will be far better than to let them remain in the militia and in making this suggestion I am prompted more by a desire to get the men for the Army, than by the desire to have a large command. Many will wait till the last moment to determine, whether or not they will volunteer, for I have reason to believe that if the enemy should make no movements towards an inland invasion before the 15th March, strong efforts will be made to prevail on the Governor to let the militia remain at home to make their crops, and hence I would most respectfully ask till the 1st of April to raise the command. And as time is precious and short in respect I shall leave to operate, I respectfully ask to hear from you at Columbia at your earliest convenience.

Brig Genl J. B. Slaughter

General

I have been for about two years
Confederate States Receiver for the
counties of Fayette, Colorado, Gonzales,
Gaudinope, Comal, and Hays, and having been in the military
service for about six months, I have had no time to attend to
the duties of the office of Receiver. On my late trip, I found
that quite a number of men of families had fled to avoid
conscription from my District and some have joined the Yankee
army. Under the Sequestration law, the property of those who have
joined the enemy can be confiscated, but where they have left children
those become the heirs of the property, and I am anxious to confiscate
it, and vest it in the minor children, so as to prevent the parents
after peace is made from managing it. Besides this many debtors
to Union enemies have written me that they wish to pay up
their debts before the first of July, and both to hunt up prop a-
gainst the traitors and to collect these debts, it is important
that I should visit my district. The U. S. District Court also
meets the first Monday in next month, and it is important also
for me to be there to take judgments in many cases that the
Judge has kindly laid over in account of my being in service.
In view of these facts, I respectfully ask leave of absence
until the 20th June, and while I do this, I will say that
should active service against an advance of the enemy of-
fer itself, I shall gladly hasten to my company, and if
I can accomplish my business sooner than the time named,
I shall at the earliest possible period return to duty with my
company. And during my tour, if there is any military bu-
siness that I can attend to, I will cheerfully do it.

Very respectfully yours
William M. Webb

My dear Sir

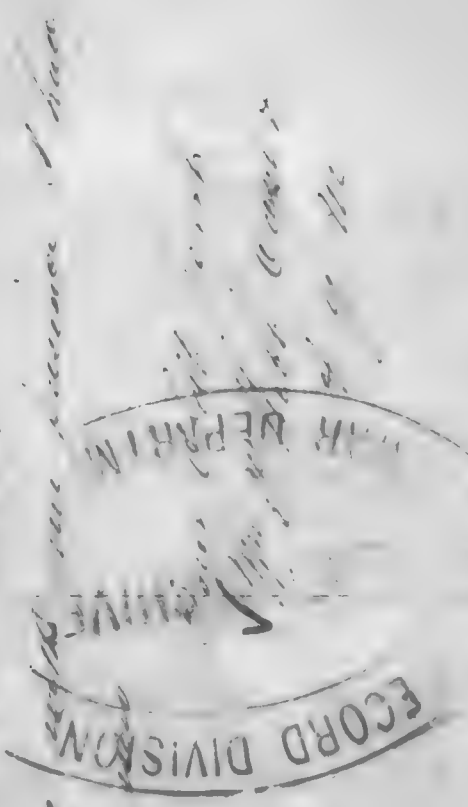

I have been very much surprised
to hear that in Fla and in the other States
from my weekly Report that it is coming in very
slowly. I hope however next week my report will
be considerably larger. I can assure you that
the fruit of my labor that I am not receiving
much credit - But when you come down and
see what difficulties I have had in carrying out
my work you will be satisfied.

In the State of Georgia in 1864 a day of the

others. True I must admit I am still very
inexperienced. May 10th, the 10th of June
is Tuesday the commissary begins his work
and not appear unless they do the same after the
market price. Should they do this at all, you
think I had better follow the same plan. I do
not it will add greatly to the dissatisfaction.

Many men of this Command have been absent on furloughs, on returning daily presenting claims for commutation of rations. Some few have been so unfortunate as to lose their furloughs, and have made certificates approved by officers commanding their respective Regiments & Companies, with affidavits attached. Would these certificates justify me to commute. You will oblige by informing me at <sup>an</sup> early day.

In my late issues, Bacon & sugar  
fall short invariably. In the issue of the 9th inst I lost 200 lbs Bacon  
& 50 lbs sugar. There are several pairs of platform scales in this  
division, all weigh about the same, this loss on every issue, with  
what do will you inquire into this, some of my troops do not get  
their ration of Bacon, this causes vexation and trouble.

Reply to remarks  
at return for '62

Nov 5 1864

Colonel:

Sub. Left. Santa Fe. Regado A.M.  
New Market Pa. Oct. 21st 1861.

I have the honor to submit the following reply to "remains" on my "Return" for 1861:  
January. The error referred to against Government of 6233 pounds Salt Beef. appears against me on my Return for December 1861. It was invoiced to me in January 1862 and by mistake placed on receipt for issues in Dec. 1861. One balances the other.

Error of 40 gallons whiskey and 200 pounds Coffee against Government, correct.

With regard to Rice, Candles, Potatoes & Whiskey, from also Salt & Whiskey, Abstract of Issues to Troops, as appears from my duplicate, I am correct.

In Abstract of Sales to Officers, my calculation is correct.

February. Also Abstract of Issues to Officers & Privates, Abstract Sales to Officers 58 pounds Salt Beef & 94 cents in calculation of Sales, error against Government, correct.

Error of 182 pounds Pork against Government, correct.

Reference to error of 10 barrels flour, Invoice no. 7. is a mistake. My duplicate Return & Invoice tally.

Certified Invoices for the month of April.

May & June enclosed.

July. Abstract of Issues to Prisoners of War, & Abstract of Purchases enclosed.

August Issues to Hospitals. 1.<sup>st</sup> 100 dollars in calculation  
of flour, & 82 cents in calculation of salt, error  
against Government, correct.

60 barrels beef were received from Capt. H. H.  
White without the weight being given, & were  
turned over, in like manner, without the weight.

September Abstract of Purchases enclosed, which will explain  
the meaning of the phrase, "on certified account."

Trouble No. 6. calls for 15½ barrels flour which  
amount is taken up in my Return.

November & December Abstracts of Purchases enclosed,  
also, Authority for issuing 1/4<sup>th</sup> meat beef.

4<sup>th</sup> Quarter. L. B. Burke was absent 44 days @ 25¢ \$11.00  
and 60 days

60 " " 30 19.20

Whole amount, " " " 130.00

J. S. Gravatt furnished me with no receipt  
I purchased of him one pair scales for  
which his receipt has been sent.

Very Respectfully,

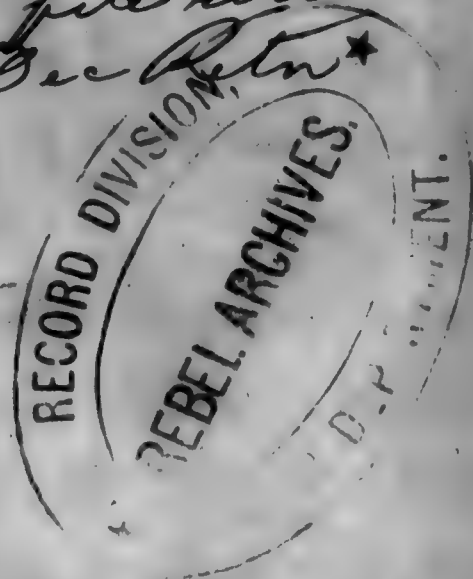

Yours Obedt. Servt.

Sir, I am a Civil Eng. by profession and formerly near the head of my class at West Point for two years. I had remained in Maryland at the advice of Gen. Lee to be of service in organizing for the contest there, but it being discovered that I had furnished a map to Gen. Johnson while at Harper's Ferry, and another to Col. McDonald, I was forced to fly to escape arrest. I now seek a position in which my professional knowledge may be of service to the cause. You will find inclosed a letter from my former Chf. Eng. since the date of which I have been his Principal asst. in constructing the Balt. City Water Works and recd. a letter recommending me as Chf. Eng. of a similar work. My character and standing as a cadet are known to Gen. Lee and to his son, my cousin, Col. G. W. C. Lee.

Cumberland, Md., October 12<sup>th</sup> 1857

The undersigned takes great pleasure in recommending Mr. W. Eugene Webster, Civil Engineer, to the friendly consideration of members of the profession and all other persons who have charge of, or are connected in any way with the management of railroad enterprises, and public works of whatsoever kind where the employment of engineering skill and experience is requisite -

Mr. Webster has been employed by me for the past four years; first, upon the location and construction work of the Alexandria, Clondom & Hampshire R.R.<sup>d</sup>, in Virginia - and recently upon the relocation surveys of the P. & O. R.R.<sup>d</sup>; but, in consequence of the suspension of all work upon these two improvements, it has become necessary for him to seek professional employment elsewhere.

Mr. Webster's theoretical acquirements and practical experience, aided by his general intelligence fit him for the post of "Principal Assistant" upon railroad works of either location or construction; and his social temper and habits are unexceptionable -

A reference to the Adjutant  
Genl's books, shows that Lt W. S. S. was pro-  
moted to 1<sup>st</sup> Lt of Art. 14<sup>th</sup> May last.  
His last acct was drawn @ \$80 for 19 days  
& 100 for 12 days ( $50^{\text{se}} + 50^{\text{se}} = \$90.50$ ). His  
pay was, consequently, at the time of his  
death \$100 per month.

Trusting that the fact of  
all our vouchers having been inaccessible  
for reference, will prove some apology for  
the trouble & delay you have experienced.

Sir,

While at work  
as was recently I was struck with the number  
of bayonets in use as poker and candle  
sticks. My inquiries satisfied me that a  
large number of these are bayonets for which  
there is no use at that point, while they are  
needed to supply a deficiency of this weapon

General

I have the honor to report my safe arrival here, and regret much to state that I shall not be able to carry out my intended project at this place. I shall therefore leave without delay for Europe to see what can be done there, with whatever success I may meet there you will be communicated with by first safe opportunity. I confirm the contents of my letters from Monterey and Matamoros which no doubt will have reached you ere this.

I had the pleasure of meeting here Mr. Macaulay the President and sole manager of the stock company owning the steamer "Alice" which sails this evening for one of our ports. Mr. M. on being informed by me that instruments for your engineering department were much wanted proceeded to procure at once as many of them as could be obtained at present. I would most respectfully suggest that on the arrival of the "Alice" you afford the necessary facilities for her quick despatch, as Mr. M. assures me that he will continue this operation monthly, and furnish you each trip with such articles you may deem proper.

to order from him for the use of your department

He is expecting to buy some 3000 stand of  
Enfield rifles which he purposes sending by  
the next trip, also some large guns which he  
expects to obtain from one of the arsenals here.

There is nothing new here of interest.

President &c

Sir

Trusting upon your

forbearance and indulgence of character at the risk of  
being considered impudently in small affairs, I will  
and respectfully ask a patient reading.

When transferred to the Trans-Mississippi Dept. because of my  
broken down my health naturally feeble during three  
years service in the Cavalry, I applied through Genl  
Johnson for permission to take four members of my  
staff, the men I knew had been with me since the  
inauguration of the war and for that length of time  
had been separated from their homes, relatives and  
pecuniary resources; you deemed it best for them to  
remain; I then asked Genl Cooper to allow me to take  
Capt. A. H. Means as a personal favor to myself, assigning  
such reasons as I thought warranted the request as  
reasonable - all this was done by telegram and could  
not be fully explained - I have determined to write  
you this letter so that I may feel satisfied that the case  
is fully understood when decided in. Capt Means does  
not belong to the Division Staff and can therefore be  
spared, without depriving my successor of a Division Officer -  
this being the case, I have been informed there would be  
no difficulty in the transfer; I do not believe in asking  
for Capt H. that I am requesting any violation of the  
rule that Staff officers shall remain with the troops

The image shows a document page with a grid-like structure, likely a ledger or account book. The page is divided into columns by faint vertical lines. The text is extremely faded and illegible, but the layout suggests a table with multiple rows and columns. The overall quality is very poor, with high contrast and significant noise, making it impossible to read the specific entries.

Hon't S. Cooper

Adj't. & S. Smith

Sir.

I permit

tender my resignation as Adj't Surgeon of the  
1st Texas Regt.

My reasons are based on the following  
grounds

1<sup>st</sup> My health ever bad since my  
connection with the Regt, without any improvement,  
precludes me from discharging those duties which  
the Department expects

2<sup>d</sup> Having enlisted as a private  
for twelve months, I expected to return at the  
expiration of that term, and adjust my affairs  
which are of great importance to me

3<sup>d</sup> All of my brethren (some one) are  
in the 'field' South I prefer being with them  
as soon as my health is restored

Hoping these reasons are valid and  
you will accept my resignation

I have the honor Sir

to be Your Obedt Servant

Wm. S. Smith Adj't Surgeon 1st Texas Regt.

Asst Surg Weir has been off of duty  
a considerable portion of his time on  
account of his health - in my opinion  
there is little probability of his condition  
improving while in active field service  
and therefore recommend his resignation

no of deaths and discharges for the  
last month has been 14, sixteen of  
which have been discharged, and the  
remainder died, the deaths however  
not occurring in Bumper it is almost  
entirely impossible to make out a  
correct schedule, as the Surgeons will  
remain some in snoring out their  
reports correctly. This I will try and  
obtain next report. Another thing yet  
very frequently occurs that when a dis-  
charge is written out, it will remain at  
Hd Quarters for an indefinite time some-  
times it is immediately acted upon and  
at others it may remain for a month  
or more - and when a discharge  
is granted in all probability the  
private may be half way at home  
before the Surgeon is upponed -

Mr. President

Attention is called to the fact that  
12th Regt. Pa. Inf. Major Thomas H. Bunker  
is an officer of the 12th Regt. Pa. Inf. and  
is on file, recently communicated  
to the Adjutant General's Office  
in the War Department. He is  
mentioned by several names  
as a person of high standing, the  
General Order and the following  
for further, his high standing, his  
commendations for services, but can  
not find the same in the War Department  
General Order. It is therefore  
concluded that the name of the  
personance and diligence shown  
with a large experience during the Indian  
War, and in the recent war with Mexico  
States, having been a highly efficient  
a field officer, since the 1st of July

I take the liberty of inviting  
the attention of the Commanding General  
to the claims of Col. J. A. Weisger  
Comd. Macon's Brigade to promotion.

He has always been a faithful and  
efficient officer, and especially during  
the present Campaign has he well and  
nobly earned a Brigadier's Commission.

He is a good soldier, a gallant  
man and a gentleman of irreproachable  
character and habits.

will Mr. G. M. Mather, as it seems just  
that when Mr. Mather is mentioned,  
with, office, who takes his place, should  
be made to come in, at the same time,  
he goes out.

of public policy, there be no reason  
you will order the terms of Mather's  
Mather, to bear date in the 30th July 1864  
that, being the date of the term of Mather's  
of Genl. Mather.

In order to state,  
namely, that the  
appointment of some  
officer, do not take  
the date of the vacancy  
in case of promotion  
up to the grade of  
Colonel, but, as a  
general rule, they  
take rank from the  
date of appointment,  
unless a particular  
date is named in  
the body of the app't.

Let such explanation  
be made to the

Is your name any

The original upon which  
(Respy) for the app't. of  
Col. Weisiger to be Brig. Genl.  
was that it should be dated  
back. The President  
and ordered the same "appoint  
as recommended." This has not  
been done, & I therefore think  
the error should be corrected  
by new nomination, or rather  
an explanatory letter to the Senate.

DEPARTMENT

Worcester Mass. July 22. 1864

I spoke to you the other day, at the instance  
of some of the Officers of Muskeget Brigade  
in relation to the date of Gen. Muskeget's  
commission. You were under the impression  
that his commission bore the same  
date, with that of Maj. Gen. McMahon.  
I find however that the date of the latter  
was date 31<sup>st</sup> July 1864, while that of  
the former bears date 21<sup>st</sup> Oct 1864.  
I beg therefore, respectfully to call your  
attention again to the matter. Gen. Muskeget  
was in command of the Brigade, from the day  
Gen. McMahon took charge of a Division. He  
was one of the oldest Colonels in the service, &  
his subordinate officer (many of them) have  
been in the service from the commencement of  
the War. It is natural, that, should feel  
an interest in this matter. I submit,  
that his com<sup>mission</sup> should bear war date.

Dear Sir.

Since I saw  
you this morning, I have become  
satisfied that Col. D. A. Heiser  
of the 12<sup>th</sup> Regt. is very well worth  
to be made a Brigadier - I  
learn, that he has <sup>had</sup> command  
of Maine's Brigade since Gen.  
Longstreet was wounded, and  
has greatly distinguished himself.  
I know ~~to be~~ <sup>to be</sup> ~~him~~ <sup>a</sup> gentleman of

He is one of the oldest (if not the  
oldest Col.) in the army, has  
been severely wounded, and  
I trust, you may find it  
not too soon to recommend  
his appointment as a Brigadier

Sir,  
At the commencement of the present war, I was appointed to take charge of the Clothing Bureau. I sought to associate with me, men honest, & capable of filling the posts entrusted to their care. I engaged the services of Mr. O. F. Heinger the active partner of a large wholesale clothing house in this city, and desired him to take charge of the Manufacturing Department. He being anxious to serve the government, consented to do so, and organized the entire department, which has been under his control from that time to this. His duties are responsible and arduous.

On the 1st inst. his partner in business, proposed that he should buy or sell, the remaining stock of goods. By my advice he declined to buy, and thought the government could not afford

Sir.

My Commission  
was probably forwarded from  
your office to Gen. A. G. Johnson about  
the time of the Fort Donelson disaster.  
It never reached me in consequence  
of that unfortunate affair. There seems

after the reorganization of the Regt.  
If this office continues you will
